LEASE OF RAILROAD EQUIPMENT dated as of December 1, 1981, between BANGOR AND AROOSTOOK RAILROAD COMPANY, a Maine corporation ("Lessee"), and ARMCO INDUSTRIAL CREDIT CORPORATION, a Delaware corporation ("Lessor").

WHEREAS the Lessor is entering into a Conditional Sale Agreement dated as of the date hereof ("CSA") with WHITTAKER CORPORATION, BERWICK FORGE AND FABRICATING DIVISION, a California corporation ("Builder"), wherein the Builder has agreed to manufacture, sell and deliver to the Lessor the units of railroad equipment described in Appendix A hereto;

WHEREAS the Builder is assigning its interests in the CSA pursuant to an Agreement and Assignment dated the date hereof ("CSA Assignment") to MERCANTILE-SAFE DEPOSIT AND TRUST COMPANY, acting as agent for a certain investor ("Original Investor" and, together with its successors and assigns, "Investors") under a Participation Agreement dated as of the date hereof ("Participation Agreement") among said agent, the Lessee, the Lessor and the Original Investor (said agent as so acting, together with the Investors for whom it is acting being hereinafter, together with its successors and assigns, called "Vendor");

WHEREAS the Lessee desires to lease such number of units of the railroad equipment as are delivered and accepted under the CSA ("Units") at the rentals and for the terms and upon the conditions hereinafter provided;

WHEREAS the Lessor will assign this Lease for security to the Vendor pursuant to an Assignment of Lease and Agreement ("Lease Assignment") dated as of the date hereof;

NOW, THEREFORE, in consideration of the premises and of the rentals to be paid and the covenants hereinafter mentioned to be kept and performed by the Lessee, the Lessor hereby leases the Units to the Lessee upon the following terms and conditions:

§ 1. NET LEASE

This Lease is a net lease. The Lessee's obligation to pay all rentals and other amounts hereunder shall be absolute and unconditional and, except as herein specifically provided, the Lessee shall not be entitled to any abatement of rent or such other amounts, reduction thereof or setoff against rent or such other amounts, including, but not limited to, abatements, reductions or setoffs due or alleged to be due by reason of any past, present or future claims of the Lessee against the Lessor under this Lease or the CSA including the Lessee's rights by subrogation thereunder to the Builder or the Vendor or otherwise; nor, except as otherwise expressly provided herein, shall this Lease terminate, or the respective obligations of the Lessor or the Lessee be otherwise affected, by reason of any defect in or damage to or loss of possession or loss of use or destruction of all or any of the Units from whatsoever cause, any liens, encumbrances or rights of others with respect to any of the Units, the prohibition of or other restriction against the Lessee's use of all or any of the Units, the interference with such use by any person or entity, the invalidity or unenforceability or lack of due authorization of this Lease, any insolvency of or any bankruptcy, reorganization or similar proceeding against the Lessee, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention of the parties hereto that the rents and other amounts payable by the Lessee hereunder shall continue to be payable in all events in the manner and at the times herein provided unless the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease. To the extent permitted by applicable law, the Lessee hereby waives any and all rights which it may now have or which at any time hereafter may be conferred upon it, by statute or otherwise, to terminate, cancel, quit or surrender the lease of any of the Units except in accordance with the express terms hereof. Each rental or other payment made by the Lessee hereunder shall be final, and the Lessee shall not seek to recover all or any part of such payment from the Lessor or the Vendor for any reason whatsoever.

§ 2. DELIVERY AND ACCEPTANCE OF UNITS

The Lessor hereby appoints the Lessee its agent for inspection and acceptance of the Units pursuant to

the CSA. Each delivery of a Unit to the Lessor under the CSA shall be deemed to be a delivery hereunder to the Lessee at the point or points within the United States of America at which such Unit is so delivered to the Lessor. Upon such delivery, the Lessee will cause an employee of the Lessee to inspect the same, and if such Unit is found to be acceptable, to accept delivery of such Unit on behalf of the Lessor under the CSA and on behalf of itself hereunder and execute and deliver to the Lessor a certificate of acceptance ("Certificate of Acceptance") in accordance with the provisions of Article 3 of the CSA, stating that such Unit has been inspected and accepted on behalf of the Lessee and the Lessor on the date of such Certificate of Acceptance and is marked in accordance with § 5.1 hereof, whereupon such Unit shall be deemed to have been delivered to and accepted by the Lessee and shall be subject thereafter to all the terms and conditions of this Lease.

§ 3. RENTALS

3.1. Amount and Date of Payment. The Lessee will pay to the Lessor, as rental for each Unit subject to this Lease, one interim rental payment payable January 4, 1982, and 60 consecutive quarterly payments payable, in advance, on January 4, April 4, July 4 and October 4 in each year, commencing January 4, 1982, to and including October 4, 1996. In respect of each Unit subject to this Lease, (a) the interim rental payment shall be in an amount equal to the product of the Purchase Price for each such Unit subject to this Lease multiplied by 0.016839% for each day elapsed from and including the Closing Date (as defined in the CSA) for such Unit to, but not including, January 4, 1982, and (b) the first 20 quarterly rental payments shall each be in an amount equal to 1.930816% multiplied by the Purchase Price of each such Unit and the last 40 quarterly rental payments shall each be in an amount equal to 2.359884% multiplied by the Purchase Price of each such Unit; it being understood, however, that the rentals payable pursuant to this § 3.1 on each interim and quarterly rental payment date shall be in no event less than the principal and/or interest payment due on each such date pursuant to paragraphs 4.3(b) and 4.4 of the CSA.

3.2. Payments on Nonbusiness Days. If any of the rental payment dates referred to in § 3.1 is not a business day the rental payment otherwise payable on such date shall

be payable on the next business day. The term "business day" as used herein means a calendar day, excluding Saturdays, Sundays and any other day on which banking institutions in Bangor, Maine, Dallas, Texas, Baltimore, Maryland, or New York, New York, are authorized or obligated to remain closed.

3.3. Instructions To Pay Vendor and Lessor. Upon execution and delivery of the Lease Assignment and until the Vendor shall have advised the Lessee in writing that all sums due from the Lessor under the CSA have been fully satisfied and discharged, the Lessor irrevocably instructs the Lessee to make all the payments provided for in this Lease, but excluding all payments not assigned to the Vendor pursuant to the Lease Assignment, to the Vendor, for the account of the Lessor, in care of the Vendor, with instructions to the Vendor (a) first, to apply such payments to satisfy the obligations of the Lessor under the CSA known to the Vendor to be due and payable on the date such payments are due and payable hereunder and (b) second, so long as no event of default under the CSA shall have occurred and be continuing, to pay any balance promptly to the Lessor or to the order of the Lessor at such place as the Lessor shall specify in writing. If the Lease Assignment is not executed and delivered, or if the Lessee shall have been advised by the Vendor in writing that all sums due from the Lessor under the CSA have been fully discharged and satisfied, the installments of rental due hereunder and any Casualty Payments thereafter due pursuant to § 7 hereof shall be made to the Lessor in the manner provided in § 3.4 hereof.

3.4. Payment in Immediately Available Funds. The Lessee agrees to make each payment provided for herein as contemplated by § 3.1 in immediately available funds at or prior to 11:00 a.m. in the city where such payment is to be made.

§ 4. TERM OF LEASE

4.1. Beginning and Termination; Survival. The term of this Lease as to each Unit shall begin on the date of delivery and acceptance of such Unit under the CSA and, subject to the provisions of §§ 7, 13 and 16 hereof, shall terminate on January 4, 1997. The obligations of the Lessee hereunder (including, but not limited to, the obligations under §§ 6, 7, 10, 11, 12 and 17 hereof) shall survive the expiration of the term of this Lease.

4.2. Rights and Obligations of Lessee Subject to CSA. Notwithstanding anything to the contrary contained herein, all rights and obligations of the Lessee under this Lease and in and to the Units are subject to the rights of the Vendor under the CSA. If an event of default should occur under the CSA, the Vendor may terminate this Lease (or rescind its termination) without affecting the indemnities which by the provisions of this Lease survive the termination of its term, all as provided herein.

§ 5. IDENTIFICATION MARKS

5.1. Identifying Numbers; Legend; Changes. The Lessee will cause each Unit to be kept numbered with the identification number set forth in Appendix A hereto, or in the case of any Unit not there listed such identification number as shall be set forth in any amendment or supplement hereto extending this Lease to cover such Unit, and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of each Unit, in letters not less than one inch in height, the words "OWNERSHIP SUBJECT TO A SECURITY AGREEMENT FILED WITH THE INTERSTATE COMMERCE COMMISSION", or other appropriate words designated by the Lessor, with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the Lessor's and Vendor's title to and property in such Unit and the rights of the Lessor under this Lease and of the rights of the Vendor under the CSA. The Lessee will not place any such Unit in operation or exercise any control or dominion over the same until such words shall have been so marked on both sides thereof and will replace promptly any such words which may be removed, defaced, obliterated or destroyed. The Lessee will not change the identification number of any Unit unless and until (i) a statement of new number or numbers to be substituted therefor shall have been filed with the Vendor and the Lessor and filed, recorded and deposited by the Lessee in all public offices where this Lease and the CSA shall have been filed, recorded and deposited and (ii) the Lessee shall have furnished the Vendor and the Lessor an opinion of counsel to the effect that such statement has been so filed, recorded and deposited, such filing, recordation and deposit will protect the Vendor's and the Lessor's interests in such Units and no filing, recording, deposit or giving of notice with or to any other Federal, state or local government or agency thereof is necessary to protect the interests of the Vendor and the

Lessor in such Units.

5.2. Insignia of Lessee. The Units may be lettered with the names or initials or other insignia customarily used by the Lessee or its affiliates, but the Lessee will not allow the name of any other person, association or corporation to be placed on any Unit as a designation that might be interpreted as a claim of ownership.

§ 6. GENERAL TAX INDEMNIFICATION

The Lessee assumes responsibility for and agrees to pay, and agrees to protect, save, keep harmless and indemnify on an after-tax basis the Lessor and the Vendor and their successors and assigns ("Indemnified Persons") against all taxes, assessments, fees, withholdings and other governmental charges of any nature whatsoever, including without limitation penalties and interest imposed on, incurred by or asserted against any Indemnified Person or any Unit in whole or in part on account of, or with respect to, this Lease or the CSA or any document referred to herein or therein or any of the transactions contemplated hereby or thereby or the manufacture, purchase, acceptance or rejection of the Units or any portion thereof or the ownership, delivery, nondelivery, leasing, re-leasing, subleasing, possession, use, operation, maintenance, repair, condition, sale, return, or other disposition of the Units or any portion thereof or any indebtedness with respect thereto or the rentals, receipts, earnings or gains arising therefrom; provided, however, that there shall be no indemnification hereunder for:

(1) any tax for which the Lessor is indemnified pursuant to the Indemnity Agreement ("Indemnity Agreement") dated as of the date hereof between the Lessor and the Lessee and any tax determined or measured in whole or in part by the gross, adjusted gross, or net receipts or income, or the excess profits, of any person or entity (including, without limitation, the Lessor and the Vendor), other than gross receipts taxes in the nature of sales or use taxes, and other than taxes arising out of or imposed in respect of the receipt of indemnification payments pursuant to this Lease;

(2) any tax resulting from a determination that the Vendor or its assigns in performing its obligations under the CSA and assignment thereof, Participation Agreement, this Lease and any other related document, is a taxable entity separate and apart from the Investors or their assigns;

(3) any tax imposed on the Lessor or Vendor and arising from any failure by the Lessor or the Vendor to fully perform their obligations under the Participation Agreement, the CSA and the assignment thereof, this Lease and any other related document; and

(4) any payroll or similar tax and any property, sales, use, occupancy or similar taxes with respect to property other than the Units.

All such taxes, fees, assessments, withholdings, governmental charges, penalties and interests for which indemnification may be had hereunder being hereinafter called "Taxes".

The Lessee shall pay all Taxes for which it assumes liability hereunder when such Taxes are due and will indemnify each Indemnified Person to the extent required by this § 6 within 10 days after receipt of a written request by such Indemnified Person for indemnification specifying the amount to be paid, the basis on which such amount was determined and the nature of the Taxes in question; provided, however, that if any Taxes are being contested in accordance with the seventh paragraph of this § 6, any payment shall be made at the time therein provided.

In the event that the Lessor shall become obligated to make any payment to the Builder or the Vendor or otherwise pursuant to any corresponding provision of the CSA not covered by the foregoing paragraphs of this § 6, the Lessee shall pay such additional amounts (which shall also be deemed Taxes hereunder) to the Lessor as will enable the Lessor to fulfill completely its obligations pursuant to said provision.

In the event any returns, statements or reports with respect to Taxes are required to be made, the Lessee will make such returns, statements and reports in such manner as to show the interest of the Lessor and the Vendor in such Units; provided, however, that the Lessor shall, with respect to any state or political subdivision thereof of

the United States of America, file such returns, statements, and reports relating to sales or use taxes, and taxes, fees, and charges on or measured by the Lessor's earnings or gross receipts arising from the Units, or the value added by the Lessor thereto, as the Lessee shall determine are required to be filed, and as shall be prepared by the Lessee, and shall remit the amount thereof upon payment by the Lessee to the Lessor (such payment to be made promptly upon demand by the Lessor therefor) of such taxes, fees and charges except as provided above. To the extent that the Lessor has information necessary to the preparation of such returns, statements and reports, it will furnish such information to the Lessee.

To the extent that the Lessee may be prohibited by law from performing in its own name the duties required by this § 6, the Lessor hereby authorizes the Lessee to act in the name of the Lessor and on its behalf; provided, however, that the Lessee shall indemnify and hold the Lessor harmless from and against any and all claims, costs, expenses, damages, losses and liabilities incurred in connection therewith as a result of, or incident to, any action by the Lessee pursuant to this authorization.

The Lessee shall, whenever reasonably requested by the Lessor, submit to the Lessor copies of returns, statements, reports, billings and remittances, or furnish other evidence satisfactory to the Lessor of the Lessee's performance of its duties under this § 6. The Lessee shall also furnish promptly upon request such data as the Lessor reasonably may require to permit its compliance with the requirements of taxing jurisdictions.

If any taxing authority shall assert liability for any Taxes or propose an increase in the liability of any Indemnified Person for any such Taxes (such assertion or such proposed increase being hereinafter called a "Claim"), indemnification for which would be required under this § 6, the Indemnified Person will notify the Lessee within a reasonable time of such Claim in writing. If the Lessee delivers to such Indemnified Person written notice of its desire to contest such Claim within 30 days after receipt of notice from such Indemnified Person, such Claim will be contested in accordance with this paragraph, except to the

extent such Claim represents amounts payable to the Vendor under Article 6 of the CSA. The Lessor will permit the Lessee to contest such Claims under Article 6 of the CSA in accordance with the rights of the Lessor thereunder. The Indemnified Person shall have the exclusive right to conduct the contest unless such is waived in writing, in which event the contest and all preparations therefor shall be the sole responsibility of the Lessee and, in either case, shall be conducted entirely at its expense. Such Indemnified Person will cooperate with any reasonable request made by the Lessee in connection therewith; provided, however, that such Indemnified Person may in its sole discretion determine in what court or other forum such contest will be conducted and whether such contest will proceed by payment of the Taxes in contemplation of a suit for refund, and such Indemnified Person shall not be required to take any action pursuant to this paragraph unless and until the Lessee shall have agreed to pay such Indemnified Person on demand all costs and expenses which such Indemnified Person may incur in connection with contesting such Claim (including fees and disbursements of counsel). If in any such contest the decision is made to pay the Taxes and sue for a refund, the Lessee will advance to such Indemnified Person on an interest-free basis sufficient funds to pay the Taxes which are to be contested. Upon receipt by any Indemnified Person of a refund of any Taxes paid by the Lessee pursuant to this paragraph, the amount of such refund and any interest paid to such Indemnified Person with respect thereto shall be paid to the Lessee forthwith upon receipt by such Indemnified Person.

The Lessee agrees to pay all amounts due under this § 6 free of any Taxes and to indemnify each Indemnified Person against any Taxes imposed by reason of any payment made by the Lessee so that the Indemnified Person to whom or for whose benefit the payment is made shall receive an amount which, net of any Taxes or other charges required to be paid by such Indemnified Person in respect thereof, shall be equal to the amount of payment otherwise required hereunder.

In the event that, during the continuance of this Lease, the Lessee becomes liable for the payment or reimbursement of any Taxes pursuant to this § 6, such liability shall continue, notwithstanding the expiration of this Lease, until all such taxes are paid or reimbursed by the Lessee.

The Lessee has agreed under the Indemnity Agreement to indemnify the Lessor in a manner similar to that above and in addition in certain other respects as therein provided.

§ 7. PAYMENT FOR CASUALTY OCCURRENCES; INSURANCE

7.1. Definitions of Casualty Occurrence; Payments.

In the event that any Unit of Equipment shall be or become worn out, lost, stolen, destroyed, or, in the reasonable opinion of the Lessee, irreparably damaged, from any cause whatsoever during the term of this Lease or any renewal term hereof or until such Unit is returned pursuant to §§ 14 or 17 hereof, or the Purchase Price of any Unit shall have been refunded by the Builder of such Unit pursuant to the terms of its patent indemnity therefor or any Unit shall be taken or requisitioned by condemnation or otherwise by the United States Government for a stated period which shall exceed the then remaining term of this Lease or by any other governmental entity resulting in loss of possession by the Lessee for a period of 90 consecutive days during the term of this Lease or during any renewal term hereof (any such occurrences being hereinafter called a "Casualty Occurrence"), the Lessee shall promptly and fully notify the Lessor and the Vendor with respect thereto. On the rental payment date next succeeding such notice (each such date being hereinafter called a "Casualty Payment Date"), the Lessee shall pay to the Lessor a sum equal to the Casualty Value (as defined in § 7.5 hereof) of any such Unit as of such Casualty Payment Date; provided, however, that in the event of a Casualty Occurrence after the last rental payment date or during the period any Unit is being returned pursuant to §§ 14 and 17 hereof, the Lessee shall make such payment to the Lessor on a date 30 days after such Casualty Occurrence. Upon the making of such payment by the Lessee in respect of any Unit, the rental for such Unit shall cease to accrue, the term of this Lease as to such Unit shall terminate and (except in the case of the loss, theft, complete destruction or return to the Builder of such Unit) the Lessor shall be entitled to recover possession of such Unit. In the event that a Casualty Occurrence occurs prior to January 4, 1982, the interim rental payments set forth in paragraph 3.1 hereof shall be payable notwithstanding such Casualty Occurrence with respect to the Units suffering such Casualty Occurrence.

In addition to the occurrences constituting a Casualty Occurrence under the preceding paragraph, if any Unit shall have been taken or requisitioned by the United States Government or any other governmental entity and such taking or requisition shall not theretofore constitute a Casualty Occurrence as aforesaid, such taking or requisition shall be deemed a Casualty Occurrence if the same shall be continuing at the end of the initial term of this Lease, in which event the Lessee shall promptly and fully notify the Lessor with respect thereto and pay the Lessor, as the Casualty Value therefor, an amount equal to 26.9277% of the Purchase Price of such Unit. Following such payment, the Lessee shall be entitled to receive condemnation payments in respect of such Unit up to an amount equal to such Casualty Value and any balance of such payments shall be the property of the Lessor. In the event such Unit shall be returned by the governmental entity prior to the time the Lessee shall have been reimbursed by such application of condemnation payments in an amount equal to such Casualty Value, then the Lessee shall dispose of such Unit as agent for the Lessor, and shall retain the proceeds of such disposition to the extent that the aggregate of the amounts so retained and the condemnation payments theretofore received by the Lessee shall equal such Casualty Value, and any balance of such proceeds shall be promptly paid to the Lessor. In the event such Unit shall be returned by the governmental entity following the time the Lessee shall have been reimbursed by such application of condemnation payments in an amount equal to such Casualty Value, such Unit shall be returned by the Lessee to the Lessor in the manner provided in § 17 hereof.

7.2. Requisition by United States Government. In the event of the requisition for use by the United States Government of any Unit for a period which does not exceed the term of this Lease or for an indefinite period (except where deemed a Casualty Occurrence pursuant to the last paragraph of § 7.1 hereof), all of the Lessee's obligations under this Lease with respect to such Unit shall continue to the same extent as if such requisition had not occurred. All payments received by the Lessor or the Lessee from the United States Government for the use of such Unit during the term of this Lease shall be paid over to, or retained by, the Lessee provided no Event of Default (or other event which after notice or lapse of time or both would become an Event of Default) shall have occurred and be continuing.

7.3. Lessee Agent for Disposal. The Lessor hereby appoints the Lessee its agent to dispose of any Unit suffering a Casualty Occurrence or any component thereof before and after expiration of the Lease, at the best price obtainable on an "as is, where is" basis. Provided that the Lessee has previously paid the Casualty Value to the Lessor (i) the Lessee shall be entitled to the proceeds of such sale to the extent they do not exceed the Casualty Value of such Unit, and shall pay any excess to the Lessor and (ii) the Lessee shall be entitled to credit against the Casualty Value payable in respect of any Unit returned to the Builder pursuant to the patent indemnity provisions of the CSA an amount equal to any payment made by the Builder to the Lessor in respect thereof under the CSA.

7.4. Payments After Expiration of Lease. If the Casualty Payment Date shall be after the last rental payment date or any renewal term thereof in respect of such Unit has expired, no rental for such Unit shall accrue after the end of such date or term, as the case may be.

7.5. Amount of Casualty Value. The Casualty Value of each Unit as of the Casualty Payment Date on which payment is to be made as aforesaid shall be an amount equal to that percentage of the Purchase Price of such Unit as is set forth in Annex B hereto opposite the rental payment date corresponding to such Casualty Payment Date, or if there is no such rental payment date, the last rental payment date; but in no event shall such amount be less than the Casualty Value (as defined in the CSA) as of such rental payment date. In view of the fact that rentals are payable in advance, no rental shall be paid on the Casualty Payment Date in respect of any Unit in respect of which the Casualty Value is paid.

7.6. No Release. Except as hereinabove in this § 7 provided, the Lessee shall not be released from its obligations hereunder in the event of, and shall bear the risk of, any Casualty Occurrence to any Unit from and after delivery and acceptance thereof by the Lessee hereunder.

7.7. Insurance. So long as the Lessee self-insures its entire fleet of rolling stock, both owned and leased, the Lessee may self-insure the Units. If at any time the Lessee ceases to self-insure its entire fleet of rolling stock, the Lessee will provide the same insurance coverage on the Units

that it carries on its other rolling stock, including property insurance and public liability insurance with respect to third party personal and property damage. Any policies of insurance carried in accordance with this paragraph shall (i) require 30 days' prior notice of cancellation or material change in coverage to the Lessor and the Vendor, (ii) name the Lessor and the Vendor as additional named insureds as their respective interests may appear, and (iii) waive any right to claim premiums or commissions against the Lessor and the Vendor and, in the event such policies shall contain breach of warranty provisions, such policies shall provide that in respect of the interests of the Lessor and the Vendor in such policies the insurance shall not be invalidated by any action or inaction of the Lessee or any other person (other than the Lessor and the Vendor, respectively) and shall insure the Lessor and the Vendor regardless of any breach or violation of any warranty, declaration or condition contained in such policies by the Lessee or by any other person (other than the Lessor or the Vendor, respectively). The Lessee shall deliver to the Lessor upon the Lessor's request duplicate originals of all policies, if any (or in the case of blanket policies, certificates thereof issued by the issuers thereunder, if any) for the insurance obtained pursuant to this § 7.

7.8. Insurance Proceeds and Condemnation Payments. If the Lessor shall receive (directly or from the Vendor) any insurance proceeds or condemnation payments in respect of such Units suffering a Casualty Occurrence, the Lessor shall pay such proceeds or condemnation payments to the Lessee up to an amount equal to the Casualty Value with respect to any Unit theretofore paid by the Lessee and any balance of such proceeds or condemnation payments shall remain the property of the Lessor; provided, however, that no Event of Default shall have occurred and be continuing and the Lessee shall have made payment of the Casualty Value thereof, and accrued rentals in respect of such Units, to the Lessor.

§ 8. REPORTS

On or before March 31 in each year, commencing

with the calendar year 1983, the Lessee will furnish to the Lessor and the Vendor an accurate statement (a) setting forth as at the preceding December 31 the total number, description and identification numbers of all Units then leased hereunder and covered by the CSA, the total number, description and identification numbers of all Units that have suffered a Casualty Occurrence during the preceding calendar year (or since the date of this Lease in the case of the first such statement) or are then undergoing repairs (other than running repairs) or then withdrawn from use pending repair (other than running repairs) and setting forth such other information regarding the condition and state of repair of the Units as the Lessor or the Vendor may reasonably request, (b) stating that, in the case of all Units repainted or repaired during the period covered by such statement, the numbers and markings required by § 5.1 hereof and by the CSA have been preserved or replaced and (c) further stating that the Lessee is in compliance under the Lease and has performed or has caused to be performed the required maintenance of the Units and that no event has occurred which with the lapse of time or notice or both would constitute an Event of Default. The Lessor and the Vendor shall each have the right by its agents to inspect the Units and the Lessee's records with respect thereto at such reasonable times as the Vendor or the Lessor may request during the continuance of this Lease.

§ 9. DISCLAIMER OF WARRANTIES

THE LESSOR DOES NOT MAKE, HAS NOT MADE AND SHALL NOT BE DEEMED TO MAKE OR HAVE MADE ANY WARRANTY OR REPRESENTATION, EITHER EXPRESSED OR IMPLIED, AS TO THE DESIGN OR CONDITION OF, OR AS TO THE QUALITY OF THE MATERIAL, EQUIPMENT OR WORKMANSHIP IN, THE UNITS DELIVERED TO THE LESSEE HEREUNDER, AND THE LESSOR DOES NOT MAKE ANY WARRANTY OF MERCHANTABILITY OR FITNESS OF THE UNITS FOR ANY PARTICULAR PURPOSE NOR AS TO TITLE TO THE UNITS OR ANY COMPONENT THEREOF, NOR ANY OTHER REPRESENTATION OR WARRANTY, EXPRESSED OR IMPLIED, WITH RESPECT TO ANY UNIT, EITHER UPON DELIVERY THEREOF TO THE LESSEE OR OTHERWISE, it being agreed that all such risks, as between the Lessor and the Lessee, are to be borne by the Lessee; but the Lessor hereby irrevocably appoints the Lessee its agent and attorney-in-fact during the term of this Lease to assert and enforce from time to time,

in the name of and for the account of the Lessor and/or the Lessee, as their interests may appear, at the Lessee's sole cost and expense, whatever claims and rights the Lessor may have against the Builder under the provisions of Item 3 of Annex A of the CSA; provided, however, that if at any time an Event of Default shall have occurred and be continuing, the Lessor may assert and enforce, at the Lessee's sole cost and expense, such claims and rights. The Lessor shall have no responsibility or liability to the Lessee or any other person with respect to any of the following: (i) any liability, loss or damage caused or alleged to be caused directly or indirectly by any Units or by any inadequacy thereof or deficiency or defect therein or by any other circumstances in connection therewith; (ii) the use, operation or performance of any Units or any risks relating thereto; (iii) any interruption of service, loss of business or anticipated profits or consequential damages; or (iv) the delivery, operation, servicing, maintenance, repair, improvement or replacement of any Units. The Lessee's delivery of a Certificate of Acceptance shall be conclusive evidence as between the Lessee and the Lessor that the Units described therein are in all respects satisfactory to the Lessee, and the Lessee will not assert any claim of any nature whatsoever against the Lessor or the Vendor based on any of the foregoing matters.

§ 10. LAWS AND RULES

10.1. Compliance. The Lessee agrees, for the benefit of the Lessor and the Vendor, to comply in all respects (including without limitation with respect to the use, maintenance and operation of each Unit) with all laws of the jurisdictions in which its operations involving the Units may extend, with the interchange rules of the Association of American Railroads and with all lawful rules of the United States Department of Transportation, the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Units, to the extent that such laws and rules affect the title, operation or use of the Units, all such laws and rules to such extent being hereinafter called ("Applicable Laws"), and in the event that such Applicable Laws require any alteration, replacement or addition of or to any part on any Unit, the Lessee will conform therewith at its own expense; provided, however, that the Lessee may at its own expense, in good faith,

contest the validity or application of any Applicable Laws in any reasonable manner which does not, in the opinion of the Lessor or the Vendor, adversely affect the property or rights of the Lessor or the Vendor under the CSA.

10.2. Reports by Lessor. The Lessee agrees to prepare and deliver to the Lessor and the Vendor within a reasonable time prior to the required date of filing (or, to the extent permissible, file on behalf of the Lessor and the Vendor) any and all reports (other than income tax returns) to be filed by the Lessor with any Federal, state or other regulatory authority by reason of the ownership by the Lessor or the Vendor of the Units or the leasing thereof to the Lessee.

§ 11. MAINTENANCE

11.1. Units in Good Operating Order. The Lessee will, at its own cost and expense, maintain and keep each Unit including any parts installed on or replacements made to any Unit which is subject to this Lease in good operating order, repair and condition, ordinary wear and tear excepted, in accordance with the Interchange Rules of the Association of American Railroads, and in no event shall the Units be maintained at a standard less than the other similar equipment owned or leased by the Lessee.

11.2. Additions and Accessions. (1) Except as set forth in §§ 10.1 and 11.1 hereof, the Lessee, at its own cost and expense, may from time to time make such other additions, modifications and improvements to the Units during the term of this Lease as are readily removable without causing material damage to the Units and do not adversely and materially affect the value of the Units. The additions, modifications and improvements made by the Lessee under the preceding sentence shall be owned by the Lessee, except to the extent such additions, modifications or improvements are made in order to comply with the second paragraph hereof.

(2) Any and all parts installed on and additions and replacements made to any Unit (i) which are not readily removable without causing material damage to such Unit and were installed or were added to such Unit in contravention of the Lessee's agreements contained in § 11.2(1) hereof, (ii) the cost of which is included in the Purchase Price of such Unit, (iii) in the course of ordinary maintenance of the

Units or (iv) which are required for the operation or use of such Unit by the regulations of the Interstate Commerce Commission, the Department of Transportation or any other applicable regulatory body, shall constitute accessions to such Unit and full ownership thereof free from any lien, charge, security interest or encumbrance (except for those created by the CSA) shall immediately be vested in the Lessor and the Vendor as their respective interests may appear in the Unit itself.

§ 12. INDEMNIFICATION

12.1. Indemnified Persons. The Lessee shall pay, and shall protect, indemnify and hold the Lessor, the Vendor and any assignee thereof, and their respective successors, assigns, agents and servants (hereinafter called "Indemnified Persons"), harmless from and against any and all causes of action, suits, penalties, claims, demands or judgments of any nature whatsoever which may be imposed on, incurred by or asserted against any Indemnified Person (including any or all liabilities, obligations, damages, costs, disbursements, expenses, including without limitation attorneys' fees) in any way relating to or arising, or alleged to arise out of this Lease, the CSA or the Units, including without limitation those in any way relating to or arising or alleged to arise out of (i) the manufacture, construction, purchase, acceptance, rejection, ownership, delivery, nondelivery, lease, possession, use, operation, condition, sale, return or other disposition of any Unit or portion thereof, (ii) any latent and other defects whether or not discoverable by the Lessor, the Vendor or the Lessee, (iii) any claim for patent, trademark or copyright infringement, (iv) any claims based on strict liability in tort, (v) any injury to or the death of any person or any damage to or loss of property on or near the Units or in any manner growing out of or concerned with, or alleged to grow out of or be connected with, the ownership, use, replacement, adaptation or maintenance of the Units or of any other equipment in connection with the Units (whether owned or under the control of the Lessor, the Lessee or any other person) or resulting or alleged to result from the condition of any thereof; (vi) any violation, or alleged violation, of any provision of this Lease or of any agreement, law, rule, regulation, ordinance or restriction, affecting or applicable to the Units or the leasing,

ownership, use, replacement, adaptation or maintenance thereof, except to the extent any such violation arises from the gross negligence or wilful misconduct of the Lessor; or (vii) any claim arising out of any of the Lessor's obligations under the Lease Assignment or the Vendor's retention of a security interest under the CSA or the Lease Assignment or the Participation Agreement, except to the extent such claim arises from the gross negligence or wilful misconduct of the Lessor (all of which matters hereinabove set forth in this § 12 being hereinafter called "Indemnified Matters"). The Lessee shall be obligated under this § 12.1, irrespective of whether any Indemnified Person shall also be indemnified with respect to the same matter under any other agreement by any other person, and the Indemnified Person seeking to enforce the indemnification may proceed directly against the Lessee under this § 12.1 without first resorting to any such other rights of indemnification. In case any action, suit or proceeding is brought against any Indemnified Person in connection with any Indemnified Matters, the Lessee may and, upon such Indemnified Person's request, will at the Lessee's expense resist and defend such action, suit or proceeding, or cause the same to be resisted or defended by counsel selected by the Lessee and approved by such Indemnified Person and, in the event of any failure by the Lessee to do so, the Lessee shall pay all costs and expenses (including without limitation attorneys' fees and expenses) incurred by such Indemnified Person in connection with such action, suit or proceeding. In the event the Lessee is required to make any indemnification payment under this § 12, the Lessee shall pay such Indemnified Person an amount which, after deduction of all taxes required to be paid by such Indemnified Person in respect of the receipt thereof under the laws of the United States or of any political subdivision thereof (after giving credit for any savings in respect of any such taxes by reason of deductions, credits or allowances in respect of the payment of the expense indemnified against, and of any other such taxes as determined in the sole discretion of the Indemnified Person), shall be equal to the amount of such payment. The Lessee and the Lessor each agrees to give each other promptly upon obtaining knowledge thereof written notice of any claim or liability hereby indemnified against. Upon the payment in full of any indemnities as contained in this § 12 by the Lessee, and provided that no Event of Default (or other event which with lapse of time or notice or both would constitute an Event of Default) shall have occurred and be continuing, the Lessee shall be subrogated to any right of such Indemni-

fied Person (except against another Indemnified Person) in respect of Indemnified Matters against which indemnity has been given. Any payments received by such Indemnified Person from any person (except the Lessee) as a result of any Indemnified Matters with respect to which such Indemnified Person has been indemnified by the Lessee pursuant to this § 12.1 shall be paid over to the Lessee to the extent necessary to reimburse the Lessee for indemnification payments previously made. Nothing in this § 12.1 shall constitute a guarantee by the Lessee of the CSA Indebtedness of the Lessor under the CSA or a guarantee of the residual value of any Unit.

The Lessee has agreed under the Indemnity Agreement to indemnify the Lessor in a manner similar to the above and in addition in certain other respects.

12.2. Survival. The indemnities contained in this § 12 shall survive the expiration or termination of this Lease with respect to all events, facts, conditions or other circumstances occurring or existing prior to such expiration or termination and are made for the benefit of, and shall be enforceable by, any Indemnified Person. None of the indemnities in this § 12 shall be deemed to create any rights of subrogation in any insurer or third party against the Lessee therefor, from or under any Indemnified Person, whether because of any claim paid or defense provided for the benefit thereof or otherwise.

§ 13. DEFAULT

13.1. Events of Default; Remedies. If, during the continuance of this Lease or any extension or renewal thereof, one or more of the following events (each such event being herein sometimes called an "Event of Default") shall occur:

(A) default shall be made in payment of any amount provided for in §§ 3, 6, 7, 12 or 16 hereof, and such default shall continue for 10 days;

(B) the Lessee shall make or permit any unauthorized assignment or transfer of this Lease, or any interest herein, or of the right to possession of the Units, or any thereof;

(C) default shall be made in the observance or per-

formance of any other of the covenants, conditions and agreements on the part of the Lessee contained herein, in the Participation Agreement or the Indemnity Agreement and such default shall continue for 30 days after written notice from the Lessor or the Vendor to the Lessee specifying the default and demanding that the same be remedied;

(D) any representation or warranty made by the Lessee herein, in the Participation Agreement, the Indemnity Agreement or in any certificate or statement furnished to the Vendor or the Lessor pursuant to or in connection with any such agreements proves untrue in any material respect as of the date of issuance or making thereof;

(E) a petition for reorganization under Title 11 of the United States Code, as now constituted or as hereafter amended, shall be filed by or against the Lessee and, unless such petition shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under this Lease and the Indemnity Agreement shall not have been and shall not continue to have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees appointed (whether or not subject to ratification) in such proceedings in such manner that such obligations shall have the same status as expenses of administration and obligations incurred by such trustee or trustees, within 60 days after such petition shall have been filed and otherwise in accordance with the provisions of 11 U.S.C. § 1168, or any successor provision, as the same may hereinafter be amended; or

(F) any other proceeding shall be commenced by or against the Lessee for any relief which includes, or might result in, any modification of the obligations of the Lessee hereunder under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustments of the obligations of the Lessee hereunder), and, unless such proceedings shall have been dismissed, nullified, stayed

or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under this Lease and the Indemnity Agreement shall not have been and shall not continue to have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed (whether or not subject to ratification) for the Lessee or for the property of the Lessee in connection with any such proceedings in such manner that such obligations shall have the same status as expenses of administration and obligations incurred by such a trustee or trustees or receiver or receivers, within 60 days after such proceedings shall have been commenced;

then, in any case, the Lessor, at its option, may:

(a) proceed by appropriate court action or actions either at law or in equity, to enforce performance by the Lessee of the applicable covenants of this Lease or to recover damages for the breach thereof; or

(b) by notice in writing to the Lessee to terminate this Lease, whereupon all rights of the Lessee to the use of the Units shall absolutely cease and terminate as though this Lease had never been made, but the Lessee shall remain liable as herein provided; and thereupon the Lessor may by its agents enter upon the premises of the Lessee or other premises, insofar as the Lessee may be lawfully authorized to so permit, where any of the Units may be located, without judicial process if this can be done without breach of the peace and in accordance with due process of law, and take possession of all or any of such Units and thenceforth hold, possess and enjoy the same free from any right of the Lessee, or its successors or assigns, to use the Units for any purposes whatever; but the Lessor shall, nevertheless, have a right to recover from the Lessee any and all amounts which under the terms of this Lease may be then due or which may have accrued to the date of such termination (computing the rental for any number of days less than a full rental period by multiplying the rental for such full rental period by a fraction of which the numerator is such number of days and the denominator is the total number of days in such full rental period) and also to recover forthwith from the

Lessee as damages for loss of a bargain and not as a penalty whichever of the following amounts that the Lessor, in its sole discretion shall specify, (i) a sum, with respect to each Unit, which represents (x) the excess of the present value, at the time of such termination, of the entire unpaid balance of all rentals for such Unit which would otherwise have accrued hereunder from the date of such termination to the end of the term of this Lease as to such Unit, such present value to be computed on the basis of a 4% per annum discount, compounded quarterly from the respective dates upon which rental would have been payable hereunder had this Lease not been terminated over the then present value of the rental which the Lessor reasonably estimates to be obtainable for each Unit during such period, such present value to be computed on the basis of a 4% per annum discount, compounded quarterly from the respective dates upon which rentals would have been payable hereunder had this Lease not been terminated or, if such Unit is sold, the net proceeds of the sale plus (y) any damages and expenses, including reasonable attorneys' fees, in addition thereto which the Lessor shall have sustained by reason of the breach of any covenant, representation or warranty of this Lease other than for the payment of rental or (ii) an amount equal to the excess, if any, of the Casualty Value as of the Casualty Payment Date on or next preceding the date of termination over the amount the Lessor reasonably estimates to be the sales value of such Unit at such time; provided, however, that in the event the Lessor shall have sold any unit, the Lessor, in lieu of collecting any amounts payable by the Lessee pursuant to the preceding clause (ii) with respect to such Unit, may, if it shall so elect, demand that the Lessee pay the Lessor and the Lessee shall pay to the Lessor on the date of such sale, as liquidated damages for loss of a bargain and not as a penalty, an amount equal to the excess, if any, of the Casualty Value for such Unit as of the Casualty Payment Date on or next preceding the date of termination over the net proceeds of such sale.

In addition, the Lessee shall be liable, except as otherwise provided above, for any and all unpaid amounts due hereunder before, during or after the exercise of any of the foregoing remedies and for all reasonable attorneys' fees and other costs and expenses incurred by reason of the occurrence of any Event of Default or the exercise of the Lessor's

remedies with respect thereto, including all costs and expenses incurred in connection with the return of any Unit.

13.2. Remedies Not Exclusive; Waiver. The remedies in this Lease provided in favor of the Lessor shall not be deemed exclusive, but shall be cumulative and may be exercised concurrently or consecutively, and shall be in addition to all other remedies in its favor existing at law or in equity. The Lessee hereby waives any mandatory requirements of law, now or hereafter in effect, which might limit or modify the remedies herein provided, to the extent that such waiver is not, at the time in question, prohibited by law. The Lessee hereby waives any and all existing or future claims to any offset against the rental payments due hereunder, and agrees to make such payments regardless of any offset or claim which may be asserted by the Lessee or on its behalf.

13.3. Failure To Exercise Rights Is Not Waiver. The failure of the Lessor to exercise the rights granted it hereunder upon the occurrence of any of the contingencies set forth herein shall not constitute a waiver of any such right upon the continuation or recurrence of any such contingencies or similar contingencies.

§ 14. RETURN OF UNITS UPON DEFAULT

14.1. Return of Units. If this Lease shall terminate pursuant to § 13 hereof or Article 16 of the CSA, the Lessee shall forthwith deliver possession of the Units to the Lessor. Each Unit so delivered shall be in the same operating order, repair and condition as when originally delivered to the Lessee, reasonable wear and tear excepted, shall be eligible for interchange under the Interchange Rules of the Association of American Railroads and shall have attached or affixed thereto any special device considered an accession thereto as provided in § 11 and shall have removed therefrom at the Lessee's expense any addition, modification or improvement which, as provided in § 11, is owned by the Lessee. For the purpose of delivering possession of any Unit or Units as above required, the Lessee shall at its own cost, expense and risk:

(a) forthwith and in the usual manner (including, but not by way of limitation, giving prompt telegraphic and written notice to the Association of American Rail-

roads and all railroads to which any Unit or Units have been interchanged or which may have possession thereof to return the Unit or Units) and at the usual speed place such Units upon such storage tracks of the Lessee as the Lessor reasonably may designate;

(b) cause such Units to be stored on such tracks at the risk of the Lessee without charge for rent, storage or insurance until all such Units have been sold, leased or otherwise disposed of by the Lessor; and

(c) transport the same to any place on the lines of railroad operated by the Lessee or any of its affiliates or to any connecting carrier for shipment, all as directed by the Lessor.

The assembling, delivery, storage and transporting of the Units as hereinbefore provided shall be at the expense and risk of the Lessee and are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. During any storage period, the Lessee will, at its own cost and expense, maintain and keep the Equipment in good order and repair, and will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser, lessee, or user of any such Unit, to inspect the same. All amounts earned in respect of the Units after the date of termination of this Lease shall belong to the Lessor and, if received by the Lessee, shall be promptly turned over to the Lessor.

14.2. Lessor Appointed Agent of Lessee. Without in any way limiting the obligation of the Lessee under the foregoing provisions of this § 14, the Lessee hereby irrevocably appoints the Lessor as the agent and attorney of the Lessee, with full power and authority, at any time while the Lessee is obligated to deliver possession of any Unit to the Lessor, to demand and take possession of such Unit in the name and on behalf of the Lessee from whosoever shall be in possession of such Unit at the time.

§ 15. ASSIGNMENT, POSSESSION AND USE

15.1. Assignment; Consent. This Lease shall be

assignable in whole or in part by the Lessor upon prior written consent of the Lessee, which consent shall not be unreasonably withheld. The Lessee hereby consents to the assignment of this Lease pursuant to the Lease Assignment.

15.2. Lessee's Rights To Use the Units, To Permit Use Thereof by Others and To Sublease the Units. (1) So long as no Event of Default exists hereunder and no event of default exists under the CSA, the Lessee shall be entitled to the possession and use of the Units in accordance with the terms of this Lease. Without the prior written consent of the Lessor and the Vendor, the Lessee shall not assign or transfer its leasehold interest under this Lease in the Units or any of them except as provided in paragraph (2) below of this § 15.2; and the Lessee shall not, without the prior written consent of the Lessor and the Vendor, part with the possession or control of, or suffer or allow to pass out of its possession or control, any of the Units, except to the extent permitted by the provisions of paragraph (2) of this § 15.2. The Lessee, at its own expense, will promptly pay or discharge any and all sums claimed by any party which, if unpaid, might become a lien, charge, security interest or other encumbrance (other than an encumbrance created by the Lessor or the Vendor or resulting from claims against the Lessor or the Vendor not related to the ownership of the Units or any encumbrance on the leasehold estate of the Lessee which is subject and subordinate to the interests of the Lessor and the Vendor) upon or with respect to any Unit, including any accession thereto, or the interest of the Lessor, the Vendor or the Lessee therein, and will promptly discharge any such lien, claim, security interest or other encumbrance which arises.

(2) So long as no Event of Default exists hereunder and no event of default exists under the CSA, the Lessee shall be entitled to the possession and use of the Units by it or any affiliate upon lines of railroad owned or operated by it or any such affiliate or upon lines of railroad over which the Lessee or any such affiliate has trackage or other operating rights or over which railroad equipment of the Lessee or any such affiliate is regularly operated and shall be entitled to permit the use of the Units upon connecting and other carriers in the usual interchange of traffic or pursuant to run-through agreements or to sublease the Units, but only upon and subject to all the terms and

conditions of this Lease and the CSA; provided, however, that the Lessee shall not assign, sublease or permit the assignment, sublease or use of any Unit predominantly outside the United States of America within the meaning of Section 48(a) of the Internal Revenue Code of 1954, as amended to the date hereof, nor shall the Lessee assign or sublease to, or permit the sublease or use of the Units by, any person in whose hands such Units would not qualify as "section 38 property" within the meaning of said Code. The Lessee may receive and retain compensation (including incentive per diem payments) for the use of any of the Units from railroads or other entities so using such Units. Any sublease permitted by this paragraph may provide that the sublessee, so long as it shall not be in default under such sublease, shall be entitled to the possession of the Units included in such sublease and the use thereof; provided, however, that every such sublease (i) shall be subject and subordinate to the rights and remedies of the Vendor under the CSA and the Lessor under this Lease in respect of the Units covered by such sublease upon the occurrence of an Event of Default thereunder or hereunder and (ii) the Vendor's and the Lessor's written consent must be obtained in order to sublease any Unit for a period of more than six consecutive months to any sublessee.

15.3. Transfers by Lessee Through Merger, Acquisition or Consolidation. Nothing in this § 15 shall be deemed to restrict the right of the Lessee to assign or transfer its leasehold interest under this Lease in the Units or possession of the Units to any corporation incorporated under the laws of any state of the United States of America or the District of Columbia (which shall have duly assumed the obligations of the Lessee hereunder) into or with which the Lessee shall have become merged or consolidated or which shall have acquired the property of the Lessee as an entirety or substantially as an entirety, provided that such assignee or transferee will not, upon the effectiveness of such merger, consolidation or acquisition, be in default under any provision of this Lease, shall be a "railroad" within the meaning of 11 U.S.C. § 101(33) and shall have assumed all the obligations of the Lessee under this Lease, the Consent, the Participation Agreement and the Indemnity Agreement.

§ 16. RENEWAL OPTION AND RIGHT OF FIRST REFUSAL

16.1. Renewal for One Period. Provided that this

Lease has not been earlier terminated and the Lessee is not in default hereunder, the Lessee may by written notice delivered to the Lessor not less than 180 days prior to the end of the original term of this Lease in respect of the Units still subject to this Lease, elect to extend such original term of this Lease in respect of all but not less than all the Units then covered by this Lease for a period of up to three years commencing on the scheduled expiration of such original term of this Lease, at a "Fair Market Rental" payable, in advance, in quarterly payments on the month and day such rentals were payable for the Units in each year of the original term.

16.2. Determination of Fair Market Rental.

(1) Fair Market Rental shall be determined for the extended term of this Lease on the basis of, and shall be equal in amount to, the rental which would obtain in an arm's-length transaction between an informed and willing lessee (other than a lessee currently in possession) and an informed and willing lessor under no compulsion to lease and, in such determination, costs of removal from the location of current use shall not be a deduction from such rental.

(2) If, after 50 days from the giving of notice by the Lessee of the Lessee's election to extend the original term of this Lease, the Lessor and the Lessee are unable to agree upon a determination of the Fair Market Rental of the Units, such rental shall be determined by the following procedure: If either party to such determination shall have given written notice to the other requesting determination of such value by this appraisal procedure, the parties shall consult for the purpose of appointing a qualified independent appraiser by mutual agreement. If no such appraiser is so appointed within 20 days after such notice is given, each party shall appoint an independent appraiser within 25 days after such notice is given, and the two appraisers so appointed shall within 35 days after such notice is given appoint a third independent appraiser. If no such third appraiser is appointed within 35 days after such notice is given, either party may apply, to make such appointment, to the American Arbitration Association, and both parties shall be bound by any appointment so made. Any appraiser or appraisers appointed pursuant to the foregoing procedure shall be instructed to determine the Fair Market Rental of the Units subject to the proposed extended term within 90 days after his or their appointment. If the parties shall have appointed a single appraiser or if either party shall

have failed to appoint an appraiser, the determination of Fair Market Rental of the single appraiser appointed shall be final. If three appraisers shall be appointed, the determination of the appraiser which differs most from the other two appraisers shall be excluded, the remaining two determinations shall be averaged and such latter average shall be final and binding upon the parties hereto as the Fair Market Rental. The appraisal proceedings shall be conducted in accordance with the Commercial Arbitration Rules of the American Arbitration Association as in effect on the date hereof, except as modified hereby. The provision for this appraisal procedure shall be the exclusive means of determining Fair Market Rental and shall be in lieu of any judicial or other procedure for the determination thereof, and each party hereto hereby consents and agrees not to assert any judicial or other procedures. The expenses of the appraisal procedure shall be borne by the Lessee.

16.3. Option to Purchase. Provided that this Lease has not been earlier terminated and the Lessee is not in default hereunder, the Lessee may by written notice delivered to the Lessor not less than 180 days prior to the end of the original term of this Lease or of the renewal term as provided for in § 16.1, as the case may be, with respect to all the Units still subject to this Lease, elect to purchase all such Units for the cash sales price equal to the then "Fair Market Value", payable upon the last day of such original term or such renewal term.

16.4. Determination of Fair Market Value. (1) Fair Market Value shall be determined on the basis of, and shall be equal in amount to, the cash sales price which would be obtained in an arm's-length transaction between an informed and willing purchaser (other than a lessee currently in possession or a dealer in used equipment) and an informed and willing seller under no compulsion to sell and, in such determination, cost of removal from the location of current use shall not be a deduction from such amount.

(2) If, after 50 days from the giving of notice by the Lessee of the Lessee's election to purchase the Units still subject to this Lease, the Lessor and the Lessee are unable to agree upon a determination of the Fair Market Value of the Units, such amount shall be determined by the following procedure: If either party to such determination shall have given written notice to the other requesting the

determination of such value by this appraisal procedure, the parties shall consult for the purpose of appointing a qualified independent appraiser by mutual agreement. If no such appraiser is so appointed within 20 days after such notice is given, each party shall appoint an independent appraiser within 25 days after such notice is given, and the two appraisers so appointed shall within 35 days after such notice is given appoint a third independent appraiser. If no such third appraiser is appointed within 35 days after such notice is given, either party may apply, to make such appointment, to the American Arbitration Association, and both parties shall be bound by any appointment so made. Any appraiser or appraisers appointed pursuant to the foregoing procedure shall be instructed to determine the Fair Market Value of the Units subject to the proposed sale within 90 days after his or their appointment. If the parties have appointed a single appraiser or if either party shall have failed to appoint an appraiser, the determination of the Fair Market Value of the single appraiser appointed shall be final. If three appraisers shall be appointed, the determination of the appraiser which differs most from the other two appraisers shall be excluded, the remaining two determinations shall be averaged and such latter average shall be final and binding upon the parties hereto as the Fair Market Value. The appraisal proceedings shall be conducted in accordance with the Commercial Arbitration Rules of the American Arbitration Association as in effect on the date hereof, except as modified hereby. The provision for this appraisal procedure shall be the exclusive means of determining Fair Market Value and shall be in lieu of any judicial or other procedures. The expenses of the appraisal procedure shall be borne by the Lessee.

§ 17. RETURN OF UNITS UPON EXPIRATION OF TERM
OR TERMINATION

As soon as practicable on or after the expiration of the original or any extended term of this Lease with respect to any Unit, and in any event not later than 90 days thereafter, the Lessee will, at its own cost and expense, at the request of the Lessor, deliver possession of such Unit to the Lessor upon such storage tracks of the Lessee as the Lessee may reasonably designate, and permit the Lessor to store such Unit on such tracks for a period not exceeding 180 days and transport the same upon disposition of

the Units, at any time within such 180-day period, to any interchange point on the Lessee's lines, all as directed by the Lessor, the movement and storage of such Units to be at the expense and risk of the Lessee. During any such storage period the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser, lessee or user of such Unit, to inspect the same; provided, however, that the Lessee shall not be liable, except in the case of negligence of the Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any prospective purchaser, lessee or user, the rights of inspection granted under this sentence. Each Unit returned to the Lessor pursuant to this § 17 shall (i) be in the same operating order, repair and condition as when originally delivered to the Lessee, reasonable wear and tear excepted, (ii) meet the standards then in effect at the expiration of the original or extended term of this Lease, as the case may be, under the applicable rules of any governmental agency or other organization with jurisdiction (including, but not limited to, the Interchange Rules of the Association of American Railroads) and (iii) have attached or affixed thereto any special device considered an accession thereto as provided in § 11 hereof and have removed therefrom any such device not so considered an accession. During any such storage period the Lessee shall maintain the Units in accordance with the provisions of § 11.1 hereof. The assembling, delivery, storage and transporting of the Units as hereinbefore provided are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units.

§ 18. RECORDING

The Lessee, at its own expense, will cause this Lease, the CSA, the CSA Assignment and the Lease Assignment to be filed with the Interstate Commerce Commission and deposited with the Registrar General of Canada (notice of such deposit to be forthwith given in The Canada Gazette) pursuant to Section 86 of the Railway Act of Canada. The Lessee will undertake the filing, registering, deposit, and recording required of the Lessor under the CSA. The Lessee in addition will from time to time do and perform

any other act and will execute, acknowledge, deliver, file, register, record (and will refile, reregister, deposit and redeposit or rerecord whenever required) any and all further instruments required by law or reasonably requested by the Lessor or the Vendor for the purpose of proper protection, to their satisfaction, of the Vendor's and the Lessor's respective interests in the Units, or for the purpose of carrying out the intention of this Lease, the CSA, the CSA Assignment and the Lease Assignment; and the Lessee will promptly furnish to the Vendor and the Lessor evidence of all such filing, registering, depositing or recording, and an opinion or opinions of counsel for the Lessee with respect thereto satisfactory to the Vendor and the Lessor. This Lease, the CSA, the CSA Assignment and the Lease Assignment shall be filed with the Interstate Commerce Commission and deposited with the Registrar General of Canada pursuant to Section 86 of the Railway Act of Canada and provision will have been made for publication of notice of such deposit in The Canada Gazette prior to the delivery and acceptance hereunder of any Unit.

§ 19. INTEREST ON OVERDUE RENTALS

Any nonpayment of rentals and other obligations due hereunder shall result in the obligation on the part of the Lessee promptly to pay, to the extent legally enforceable, an amount equal to interest at 16% per annum on the overdue rentals and other obligations for the period of time during which they are overdue or such lesser amount as may be legally enforceable.

§ 20. LESSOR'S RIGHT TO PERFORM FOR THE LESSEE

If the Lessee fails to perform or comply with any of its agreements contained herein, the Lessor may upon notice to the Lessee and the Vendor, perform or comply with such agreement, and the amount of the reasonable cost and expenses of the Lessor incurred in connection with such performance or compliance, together with interest, to the extent legally enforceable, on such amount at 16% per annum, shall be payable by the Lessee upon demand except as otherwise provided in this Lease. No such performance or compliance by the Lessor shall be deemed a waiver of the rights and remedies of the Lessor or any assignee of the Lessor against the Lessee hereunder.

§ 21. NOTICES

Any notice required or permitted to be given by either party hereto to the other shall be deemed to have been given when mailed, first-class, postage prepaid, addressed as follows:

(a) if to the Lessor, at Suite 700, Two Hillcrest Green, 12720 Hillcrest Road, Dallas, Texas 75230, Attention of Assistant Vice President-Contracts Administration; and

(b) if to the Lessee, at Northern Main Junction Park, R.R. 2, Bangor, Maine 04401, Attention of Vice President-Finance,

or addressed to either party at such other address as such party shall hereafter furnish to the other party in writing.

§ 22. SEVERABILITY

Any provision of this Lease which is prohibited or unenforceable in any jurisdiction, shall be, as to such jurisdiction, ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

§ 23. EFFECT AND MODIFICATION OF LEASE

Except for the Participation Agreement and the Indemnity Agreement, this Lease exclusively and completely states the rights of the Lessor and the Lessee with respect to the leasing of the Units and supersedes all other agreements, oral or written, with respect thereto. No variation or modification of this Lease and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized signatories for the Lessor and the Lessee.

§ 24. THIRD PARTY BENEFICIARIES

Nothing in this Lease shall be deemed to create any right in any person not a party hereto (other than the

Vendor, the Builder and the permitted successors and assigns of a party) and this instrument shall not be construed in any respect to be a contract in whole or in part for the benefit of a third party except as aforesaid.

§ 25. EXECUTION

This Lease may be executed in several counterparts, such counterparts together constituting but one and the same instrument, but the counterpart delivered to the Vendor pursuant to the Lease Assignment shall be deemed to be the original and all other counterparts shall be deemed duplicates thereof. Although for convenience this Lease is dated as of the date first set forth above, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

§ 26. LAW GOVERNING

The terms of this Lease and all rights and obligations hereunder shall be governed by the laws of the State of Maine; provided, however, that the parties shall be entitled to all rights conferred by 49 U.S.C. § 11303.

§ 27. IMMUNITIES; NO RECOURSE

No recourse shall be had in respect of any obligation due under this Lease, or referred to herein, against any incorporator, stockholder, director or officer, as such, past, present or future, of the parties hereto, whether by virtue of any constitutional provision, statute or rule of law, or by enforcement of any assessment or penalty or otherwise, all such liability, whether at common law, in equity, by any constitutional provision, statute or otherwise, of such incorporators, stockholders, directors or officers, as such, being forever released as a condition of and as consideration for the execution of this Lease.

§ 28. TERM LESSOR

Whenever the term Lessor is used in this Lease it shall apply and refer to the Lessor and any assignee of the Lessor (including, so long as any indebtedness under the CSA

or interest thereon shall remain unpaid or any other obligation thereunder be continuing, the Vendor).

IN WITNESS WHEREOF, the parties hereto have executed or caused this instrument to be executed as of the date first above written.

LEASE OF RAILROAD EQUIPMENT dated as of December 1, 1981, between BANGOR AND AROOSTOOK RAILROAD COMPANY, a Maine corporation ("Lessee"), and ARMCO INDUSTRIAL CREDIT CORPORATION, a Delaware corporation ("Lessor").

WHEREAS the Lessor is entering into a Conditional Sale Agreement dated as of the date hereof ("CSA") with WHITTAKER CORPORATION, BERWICK FORGE AND FABRICATING DIVISION, a California corporation ("Builder"), wherein the Builder has agreed to manufacture, sell and deliver to the Lessor the units of railroad equipment described in Appendix A hereto;

WHEREAS the Builder is assigning its interests in the CSA pursuant to an Agreement and Assignment dated the date hereof ("CSA Assignment") to MERCANTILE-SAFE DEPOSIT AND TRUST COMPANY, acting as agent for a certain investor ("Original Investor" and, together with its successors and assigns, "Investors") under a Participation Agreement dated as of the date hereof ("Participation Agreement") among said agent, the Lessee, the Lessor and the Original Investor (said agent as so acting, together with the Investors for whom it is acting being hereinafter, together with its successors and assigns, called "Vendor");

WHEREAS the Lessee desires to lease such number of units of the railroad equipment as are delivered and accepted under the CSA ("Units") at the rentals and for the terms and upon the conditions hereinafter provided;

WHEREAS the Lessor will assign this Lease for security to the Vendor pursuant to an Assignment of Lease and Agreement ("Lease Assignment") dated as of the date hereof;

NOW, THEREFORE, in consideration of the premises and of the rentals to be paid and the covenants hereinafter mentioned to be kept and performed by the Lessee, the Lessor hereby leases the Units to the Lessee upon the following terms and conditions:

§ 1. NET LEASE

This Lease is a net lease. The Lessee's obligation to pay all rentals and other amounts hereunder shall be absolute and unconditional and, except as herein specifically provided, the Lessee shall not be entitled to any abatement of rent or such other amounts, reduction thereof or setoff against rent or such other amounts, including, but not limited to, abatements, reductions or setoffs due or alleged to be due by reason of any past, present or future claims of the Lessee against the Lessor under this Lease or the CSA including the Lessee's rights by subrogation thereunder to the Builder or the Vendor or otherwise; nor, except as otherwise expressly provided herein, shall this Lease terminate, or the respective obligations of the Lessor or the Lessee be otherwise affected, by reason of any defect in or damage to or loss of possession or loss of use or destruction of all or any of the Units from whatsoever cause, any liens, encumbrances or rights of others with respect to any of the Units, the prohibition of or other restriction against the Lessee's use of all or any of the Units, the interference with such use by any person or entity, the invalidity or unenforceability or lack of due authorization of this Lease, any insolvency of or any bankruptcy, reorganization or similar proceeding against the Lessee, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention of the parties hereto that the rents and other amounts payable by the Lessee hereunder shall continue to be payable in all events in the manner and at the times herein provided unless the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease. To the extent permitted by applicable law, the Lessee hereby waives any and all rights which it may now have or which at any time hereafter may be conferred upon it, by statute or otherwise, to terminate, cancel, quit or surrender the lease of any of the Units except in accordance with the express terms hereof. Each rental or other payment made by the Lessee hereunder shall be final, and the Lessee shall not seek to recover all or any part of such payment from the Lessor or the Vendor for any reason whatsoever.

§ 2. DELIVERY AND ACCEPTANCE OF UNITS

The Lessor hereby appoints the Lessee its agent for inspection and acceptance of the Units pursuant to

the CSA. Each delivery of a Unit to the Lessor under the CSA shall be deemed to be a delivery hereunder to the Lessee at the point or points within the United States of America at which such Unit is so delivered to the Lessor. Upon such delivery, the Lessee will cause an employee of the Lessee to inspect the same, and if such Unit is found to be acceptable, to accept delivery of such Unit on behalf of the Lessor under the CSA and on behalf of itself hereunder and execute and deliver to the Lessor a certificate of acceptance ("Certificate of Acceptance") in accordance with the provisions of Article 3 of the CSA, stating that such Unit has been inspected and accepted on behalf of the Lessee and the Lessor on the date of such Certificate of Acceptance and is marked in accordance with § 5.1 hereof, whereupon such Unit shall be deemed to have been delivered to and accepted by the Lessee and shall be subject thereafter to all the terms and conditions of this Lease.

§ 3. RENTALS

3.1. Amount and Date of Payment. The Lessee will pay to the Lessor, as rental for each Unit subject to this Lease, one interim rental payment payable January 4, 1982, and 60 consecutive quarterly payments payable, in advance, on January 4, April 4, July 4 and October 4 in each year, commencing January 4, 1982, to and including October 4, 1996. In respect of each Unit subject to this Lease, (a) the interim rental payment shall be in an amount equal to the product of the Purchase Price for each such Unit subject to this Lease multiplied by 0.016839% for each day elapsed from and including the Closing Date (as defined in the CSA) for such Unit to, but not including, January 4, 1982, and (b) the first 20 quarterly rental payments shall each be in an amount equal to 1.930816% multiplied by the Purchase Price of each such Unit and the last 40 quarterly rental payments shall each be in an amount equal to 2.359884% multiplied by the Purchase Price of each such Unit; it being understood, however, that the rentals payable pursuant to this § 3.1 on each interim and quarterly rental payment date shall be in no event less than the principal and/or interest payment due on each such date pursuant to paragraphs 4.3(b) and 4.4 of the CSA.

3.2. Payments on Nonbusiness Days. If any of the rental payment dates referred to in § 3.1 is not a business day the rental payment otherwise payable on such date shall

be payable on the next business day. The term "business day" as used herein means a calendar day, excluding Saturdays, Sundays and any other day on which banking institutions in Bangor, Maine, Dallas, Texas, Baltimore, Maryland, or New York, New York, are authorized or obligated to remain closed.

3.3. Instructions To Pay Vendor and Lessor. Upon execution and delivery of the Lease Assignment and until the Vendor shall have advised the Lessee in writing that all sums due from the Lessor under the CSA have been fully satisfied and discharged, the Lessor irrevocably instructs the Lessee to make all the payments provided for in this Lease, but excluding all payments not assigned to the Vendor pursuant to the Lease Assignment, to the Vendor, for the account of the Lessor, in care of the Vendor, with instructions to the Vendor (a) first, to apply such payments to satisfy the obligations of the Lessor under the CSA known to the Vendor to be due and payable on the date such payments are due and payable hereunder and (b) second, so long as no event of default under the CSA shall have occurred and be continuing, to pay any balance promptly to the Lessor or to the order of the Lessor at such place as the Lessor shall specify in writing. If the Lease Assignment is not executed and delivered, or if the Lessee shall have been advised by the Vendor in writing that all sums due from the Lessor under the CSA have been fully discharged and satisfied, the installments of rental due hereunder and any Casualty Payments thereafter due pursuant to § 7 hereof shall be made to the Lessor in the manner provided in § 3.4 hereof.

3.4. Payment in Immediately Available Funds. The Lessee agrees to make each payment provided for herein as contemplated by § 3.1 in immediately available funds at or prior to 11:00 a.m. in the city where such payment is to be made.

§ 4. TERM OF LEASE

4.1. Beginning and Termination; Survival. The term of this Lease as to each Unit shall begin on the date of delivery and acceptance of such Unit under the CSA and, subject to the provisions of §§ 7, 13 and 16 hereof, shall terminate on January 4, 1997. The obligations of the Lessee hereunder (including, but not limited to, the obligations under §§ 6, 7, 10, 11, 12 and 17 hereof) shall survive the expiration of the term of this Lease.

4.2. Rights and Obligations of Lessee Subject to CSA. Notwithstanding anything to the contrary contained herein, all rights and obligations of the Lessee under this Lease and in and to the Units are subject to the rights of the Vendor under the CSA. If an event of default should occur under the CSA, the Vendor may terminate this Lease (or rescind its termination) without affecting the indemnities which by the provisions of this Lease survive the termination of its term, all as provided herein.

§ 5. IDENTIFICATION MARKS

5.1. Identifying Numbers; Legend; Changes. The Lessee will cause each Unit to be kept numbered with the identification number set forth in Appendix A hereto, or in the case of any Unit not there listed such identification number as shall be set forth in any amendment or supplement hereto extending this Lease to cover such Unit, and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of each Unit, in letters not less than one inch in height, the words "OWNERSHIP SUBJECT TO A SECURITY AGREEMENT FILED WITH THE INTERSTATE COMMERCE COMMISSION", or other appropriate words designated by the Lessor, with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the Lessor's and Vendor's title to and property in such Unit and the rights of the Lessor under this Lease and of the rights of the Vendor under the CSA. The Lessee will not place any such Unit in operation or exercise any control or dominion over the same until such words shall have been so marked on both sides thereof and will replace promptly any such words which may be removed, defaced, obliterated or destroyed. The Lessee will not change the identification number of any Unit unless and until (i) a statement of new number or numbers to be substituted therefor shall have been filed with the Vendor and the Lessor and filed, recorded and deposited by the Lessee in all public offices where this Lease and the CSA shall have been filed, recorded and deposited and (ii) the Lessee shall have furnished the Vendor and the Lessor an opinion of counsel to the effect that such statement has been so filed, recorded and deposited, such filing, recordation and deposit will protect the Vendor's and the Lessor's interests in such Units and no filing, recording, deposit or giving of notice with or to any other Federal, state or local government or agency thereof is necessary to protect the interests of the Vendor and the

Lessor in such Units.

5.2. Insignia of Lessee. The Units may be lettered with the names or initials or other insignia customarily used by the Lessee or its affiliates, but the Lessee will not allow the name of any other person, association or corporation to be placed on any Unit as a designation that might be interpreted as a claim of ownership.

§ 6. GENERAL TAX INDEMNIFICATION

The Lessee assumes responsibility for and agrees to pay, and agrees to protect, save, keep harmless and indemnify on an after-tax basis the Lessor and the Vendor and their successors and assigns ("Indemnified Persons") against all taxes, assessments, fees, withholdings and other governmental charges of any nature whatsoever, including without limitation penalties and interest imposed on, incurred by or asserted against any Indemnified Person or any Unit in whole or in part on account of, or with respect to, this Lease or the CSA or any document referred to herein or therein or any of the transactions contemplated hereby or thereby or the manufacture, purchase, acceptance or rejection of the Units or any portion thereof or the ownership, delivery, nondelivery, leasing, re-leasing, subleasing, possession, use, operation, maintenance, repair, condition, sale, return, or other disposition of the Units or any portion thereof or any indebtedness with respect thereto or the rentals, receipts, earnings or gains arising therefrom; provided, however, that there shall be no indemnification hereunder for:

(1) any tax for which the Lessor is indemnified pursuant to the Indemnity Agreement ("Indemnity Agreement") dated as of the date hereof between the Lessor and the Lessee and any tax determined or measured in whole or in part by the gross, adjusted gross, or net receipts or income, or the excess profits, of any person or entity (including, without limitation, the Lessor and the Vendor), other than gross receipts taxes in the nature of sales or use taxes, and other than taxes arising out of or imposed in respect of the receipt of indemnification payments pursuant to this Lease;

(2) any tax resulting from a determination that the Vendor or its assigns in performing its obligations under the CSA and assignment thereof, Participation Agreement, this Lease and any other related document, is a taxable entity separate and apart from the Investors or their assigns;

(3) any tax imposed on the Lessor or Vendor and arising from any failure by the Lessor or the Vendor to fully perform their obligations under the Participation Agreement, the CSA and the assignment thereof, this Lease and any other related document; and

(4) any payroll or similar tax and any property, sales, use, occupancy or similar taxes with respect to property other than the Units.

All such taxes, fees, assessments, withholdings, governmental charges, penalties and interests for which indemnification may be had hereunder being hereinafter called "Taxes".

The Lessee shall pay all Taxes for which it assumes liability hereunder when such Taxes are due and will indemnify each Indemnified Person to the extent required by this § 6 within 10 days after receipt of a written request by such Indemnified Person for indemnification specifying the amount to be paid, the basis on which such amount was determined and the nature of the Taxes in question; provided, however, that if any Taxes are being contested in accordance with the seventh paragraph of this § 6, any payment shall be made at the time therein provided.

In the event that the Lessor shall become obligated to make any payment to the Builder or the Vendor or otherwise pursuant to any corresponding provision of the CSA not covered by the foregoing paragraphs of this § 6, the Lessee shall pay such additional amounts (which shall also be deemed Taxes hereunder) to the Lessor as will enable the Lessor to fulfill completely its obligations pursuant to said provision.

In the event any returns, statements or reports with respect to Taxes are required to be made, the Lessee will make such returns, statements and reports in such manner as to show the interest of the Lessor and the Vendor in such Units; provided, however, that the Lessor shall, with respect to any state or political subdivision thereof of

the United States of America, file such returns, statements, and reports relating to sales or use taxes, and taxes, fees, and charges on or measured by the Lessor's earnings or gross receipts arising from the Units, or the value added by the Lessor thereto, as the Lessee shall determine are required to be filed, and as shall be prepared by the Lessee, and shall remit the amount thereof upon payment by the Lessee to the Lessor (such payment to be made promptly upon demand by the Lessor therefor) of such taxes, fees and charges except as provided above. To the extent that the Lessor has information necessary to the preparation of such returns, statements and reports, it will furnish such information to the Lessee.

To the extent that the Lessee may be prohibited by law from performing in its own name the duties required by this § 6, the Lessor hereby authorizes the Lessee to act in the name of the Lessor and on its behalf; provided, however, that the Lessee shall indemnify and hold the Lessor harmless from and against any and all claims, costs, expenses, damages, losses and liabilities incurred in connection therewith as a result of, or incident to, any action by the Lessee pursuant to this authorization.

The Lessee shall, whenever reasonably requested by the Lessor, submit to the Lessor copies of returns, statements, reports, billings and remittances, or furnish other evidence satisfactory to the Lessor of the Lessee's performance of its duties under this § 6. The Lessee shall also furnish promptly upon request such data as the Lessor reasonably may require to permit its compliance with the requirements of taxing jurisdictions.

If any taxing authority shall assert liability for any Taxes or propose an increase in the liability of any Indemnified Person for any such Taxes (such assertion or such proposed increase being hereinafter called a "Claim"), indemnification for which would be required under this § 6, the Indemnified Person will notify the Lessee within a reasonable time of such Claim in writing. If the Lessee delivers to such Indemnified Person written notice of its desire to contest such Claim within 30 days after receipt of notice from such Indemnified Person, such Claim will be contested in accordance with this paragraph, except to the

extent such Claim represents amounts payable to the Vendor under Article 6 of the CSA. The Lessor will permit the Lessee to contest such Claims under Article 6 of the CSA in accordance with the rights of the Lessor thereunder. The Indemnified Person shall have the exclusive right to conduct the contest unless such is waived in writing, in which event the contest and all preparations therefor shall be the sole responsibility of the Lessee and, in either case, shall be conducted entirely at its expense. Such Indemnified Person will cooperate with any reasonable request made by the Lessee in connection therewith; provided, however, that such Indemnified Person may in its sole discretion determine in what court or other forum such contest will be conducted and whether such contest will proceed by payment of the Taxes in contemplation of a suit for refund, and such Indemnified Person shall not be required to take any action pursuant to this paragraph unless and until the Lessee shall have agreed to pay such Indemnified Person on demand all costs and expenses which such Indemnified Person may incur in connection with contesting such Claim (including fees and disbursements of counsel). If in any such contest the decision is made to pay the Taxes and sue for a refund, the Lessee will advance to such Indemnified Person on an interest-free basis sufficient funds to pay the Taxes which are to be contested. Upon receipt by any Indemnified Person of a refund of any Taxes paid by the Lessee pursuant to this paragraph, the amount of such refund and any interest paid to such Indemnified Person with respect thereto shall be paid to the Lessee forthwith upon receipt by such Indemnified Person.

The Lessee agrees to pay all amounts due under this § 6 free of any Taxes and to indemnify each Indemnified Person against any Taxes imposed by reason of any payment made by the Lessee so that the Indemnified Person to whom or for whose benefit the payment is made shall receive an amount which, net of any Taxes or other charges required to be paid by such Indemnified Person in respect thereof, shall be equal to the amount of payment otherwise required hereunder.

In the event that, during the continuance of this Lease, the Lessee becomes liable for the payment or reimbursement of any Taxes pursuant to this § 6, such liability shall continue, notwithstanding the expiration of this Lease, until all such taxes are paid or reimbursed by the Lessee.

The Lessee has agreed under the Indemnity Agreement to indemnify the Lessor in a manner similar to that above and in addition in certain other respects as therein provided.

§ 7. PAYMENT FOR CASUALTY OCCURRENCES; INSURANCE

7.1. Definitions of Casualty Occurrence; Payments.
In the event that any Unit of Equipment shall be or become worn out, lost, stolen, destroyed, or, in the reasonable opinion of the Lessee, irreparably damaged, from any cause whatsoever during the term of this Lease or any renewal term hereof or until such Unit is returned pursuant to §§ 14 or 17 hereof, or the Purchase Price of any Unit shall have been refunded by the Builder of such Unit pursuant to the terms of its patent indemnity therefor or any Unit shall be taken or requisitioned by condemnation or otherwise by the United States Government for a stated period which shall exceed the then remaining term of this Lease or by any other governmental entity resulting in loss of possession by the Lessee for a period of 90 consecutive days during the term of this Lease or during any renewal term hereof (any such occurrences being hereinafter called a "Casualty Occurrence"), the Lessee shall promptly and fully notify the Lessor and the Vendor with respect thereto. On the rental payment date next succeeding such notice (each such date being hereinafter called a "Casualty Payment Date"), the Lessee shall pay to the Lessor a sum equal to the Casualty Value (as defined in § 7.5 hereof) of any such Unit as of such Casualty Payment Date; provided, however, that in the event of a Casualty Occurrence after the last rental payment date or during the period any Unit is being returned pursuant to §§ 14 and 17 hereof, the Lessee shall make such payment to the Lessor on a date 30 days after such Casualty Occurrence. Upon the making of such payment by the Lessee in respect of any Unit, the rental for such Unit shall cease to accrue, the term of this Lease as to such Unit shall terminate and (except in the case of the loss, theft, complete destruction or return to the Builder of such Unit) the Lessor shall be entitled to recover possession of such Unit. In the event that a Casualty Occurrence occurs prior to January 4, 1982, the interim rental payments set forth in paragraph 3.1 hereof shall be payable notwithstanding such Casualty Occurrence with respect to the Units suffering such Casualty Occurrence.

In addition to the occurrences constituting a Casualty Occurrence under the preceding paragraph, if any Unit shall have been taken or requisitioned by the United States Government or any other governmental entity and such taking or requisition shall not theretofore constitute a Casualty Occurrence as aforesaid, such taking or requisition shall be deemed a Casualty Occurrence if the same shall be continuing at the end of the initial term of this Lease, in which event the Lessee shall promptly and fully notify the Lessor with respect thereto and pay the Lessor, as the Casualty Value therefor, an amount equal to 26.9277% of the Purchase Price of such Unit. Following such payment, the Lessee shall be entitled to receive condemnation payments in respect of such Unit up to an amount equal to such Casualty Value and any balance of such payments shall be the property of the Lessor. In the event such Unit shall be returned by the governmental entity prior to the time the Lessee shall have been reimbursed by such application of condemnation payments in an amount equal to such Casualty Value, then the Lessee shall dispose of such Unit as agent for the Lessor, and shall retain the proceeds of such disposition to the extent that the aggregate of the amounts so retained and the condemnation payments theretofore received by the Lessee shall equal such Casualty Value, and any balance of such proceeds shall be promptly paid to the Lessor. In the event such Unit shall be returned by the governmental entity following the time the Lessee shall have been reimbursed by such application of condemnation payments in an amount equal to such Casualty Value, such Unit shall be returned by the Lessee to the Lessor in the manner provided in § 17 hereof.

7.2. Requisition by United States Government. In the event of the requisition for use by the United States Government of any Unit for a period which does not exceed the term of this Lease or for an indefinite period (except where deemed a Casualty Occurrence pursuant to the last paragraph of § 7.1 hereof), all of the Lessee's obligations under this Lease with respect to such Unit shall continue to the same extent as if such requisition had not occurred. All payments received by the Lessor or the Lessee from the United States Government for the use of such Unit during the term of this Lease shall be paid over to, or retained by, the Lessee provided no Event of Default (or other event which after notice or lapse of time or both would become an Event of Default) shall have occurred and be continuing.

7.3. Lessee Agent for Disposal. The Lessor hereby appoints the Lessee its agent to dispose of any Unit suffering a Casualty Occurrence or any component thereof before and after expiration of the Lease, at the best price obtainable on an "as is, where is" basis. Provided that the Lessee has previously paid the Casualty Value to the Lessor (i) the Lessee shall be entitled to the proceeds of such sale to the extent they do not exceed the Casualty Value of such Unit, and shall pay any excess to the Lessor and (ii) the Lessee shall be entitled to credit against the Casualty Value payable in respect of any Unit returned to the Builder pursuant to the patent indemnity provisions of the CSA an amount equal to any payment made by the Builder to the Lessor in respect thereof under the CSA.

7.4. Payments After Expiration of Lease. If the Casualty Payment Date shall be after the last rental payment date or any renewal term thereof in respect of such Unit has expired, no rental for such Unit shall accrue after the end of such date or term, as the case may be.

7.5. Amount of Casualty Value. The Casualty Value of each Unit as of the Casualty Payment Date on which payment is to be made as aforesaid shall be an amount equal to that percentage of the Purchase Price of such Unit as is set forth in Annex B hereto opposite the rental payment date corresponding to such Casualty Payment Date, or if there is no such rental payment date, the last rental payment date; but in no event shall such amount be less than the Casualty Value (as defined in the CSA) as of such rental payment date. In view of the fact that rentals are payable in advance, no rental shall be paid on the Casualty Payment Date in respect of any Unit in respect of which the Casualty Value is paid.

7.6. No Release. Except as hereinabove in this § 7 provided, the Lessee shall not be released from its obligations hereunder in the event of, and shall bear the risk of, any Casualty Occurrence to any Unit from and after delivery and acceptance thereof by the Lessee hereunder.

7.7. Insurance. So long as the Lessee self-insures its entire fleet of rolling stock, both owned and leased, the Lessee may self-insure the Units. If at any time the Lessee ceases to self-insure its entire fleet of rolling stock, the Lessee will provide the same insurance coverage on the Units

that it carries on its other rolling stock, including property insurance and public liability insurance with respect to third party personal and property damage. Any policies of insurance carried in accordance with this paragraph shall (i) require 30 days' prior notice of cancellation or material change in coverage to the Lessor and the Vendor, (ii) name the Lessor and the Vendor as additional named insureds as their respective interests may appear, and (iii) waive any right to claim premiums or commissions against the Lessor and the Vendor and, in the event such policies shall contain breach of warranty provisions, such policies shall provide that in respect of the interests of the Lessor and the Vendor in such policies the insurance shall not be invalidated by any action or inaction of the Lessee or any other person (other than the Lessor and the Vendor, respectively) and shall insure the Lessor and the Vendor regardless of any breach or violation of any warranty, declaration or condition contained in such policies by the Lessee or by any other person (other than the Lessor or the Vendor, respectively). The Lessee shall deliver to the Lessor upon the Lessor's request duplicate originals of all policies, if any (or in the case of blanket policies, certificates thereof issued by the issuers thereunder, if any) for the insurance obtained pursuant to this § 7.

7.8. Insurance Proceeds and Condemnation Payments.

If the Lessor shall receive (directly or from the Vendor) any insurance proceeds or condemnation payments in respect of such Units suffering a Casualty Occurrence, the Lessor shall pay such proceeds or condemnation payments to the Lessee up to an amount equal to the Casualty Value with respect to any Unit theretofore paid by the Lessee and any balance of such proceeds or condemnation payments shall remain the property of the Lessor; provided, however, that no Event of Default shall have occurred and be continuing and the Lessee shall have made payment of the Casualty Value thereof, and accrued rentals in respect of such Units, to the Lessor.

§ 8. REPORTS

On or before March 31 in each year, commencing

with the calendar year 1983, the Lessee will furnish to the Lessor and the Vendor an accurate statement (a) setting forth as at the preceding December 31 the total number, description and identification numbers of all Units then leased hereunder and covered by the CSA, the total number, description and identification numbers of all Units that have suffered a Casualty Occurrence during the preceding calendar year (or since the date of this Lease in the case of the first such statement) or are then undergoing repairs (other than running repairs) or then withdrawn from use pending repair (other than running repairs) and setting forth such other information regarding the condition and state of repair of the Units as the Lessor or the Vendor may reasonably request, (b) stating that, in the case of all Units repainted or repaired during the period covered by such statement, the numbers and markings required by § 5.1 hereof and by the CSA have been preserved or replaced and (c) further stating that the Lessee is in compliance under the Lease and has performed or has caused to be performed the required maintenance of the Units and that no event has occurred which with the lapse of time or notice or both would constitute an Event of Default. The Lessor and the Vendor shall each have the right by its agents to inspect the Units and the Lessee's records with respect thereto at such reasonable times as the Vendor or the Lessor may request during the continuance of this Lease.

§ 9. DISCLAIMER OF WARRANTIES

THE LESSOR DOES NOT MAKE, HAS NOT MADE AND SHALL NOT BE DEEMED TO MAKE OR HAVE MADE ANY WARRANTY OR REPRESENTATION, EITHER EXPRESSED OR IMPLIED, AS TO THE DESIGN OR CONDITION OF, OR AS TO THE QUALITY OF THE MATERIAL, EQUIPMENT OR WORKMANSHIP IN, THE UNITS DELIVERED TO THE LESSEE HEREUNDER, AND THE LESSOR DOES NOT MAKE ANY WARRANTY OF MERCHANTABILITY OR FITNESS OF THE UNITS FOR ANY PARTICULAR PURPOSE NOR AS TO TITLE TO THE UNITS OR ANY COMPONENT THEREOF, NOR ANY OTHER REPRESENTATION OR WARRANTY, EXPRESSED OR IMPLIED, WITH RESPECT TO ANY UNIT, EITHER UPON DELIVERY THEREOF TO THE LESSEE OR OTHERWISE, it being agreed that all such risks, as between the Lessor and the Lessee, are to be borne by the Lessee; but the Lessor hereby irrevocably appoints the Lessee its agent and attorney-in-fact during the term of this Lease to assert and enforce from time to time,

in the name of and for the account of the Lessor and/or the Lessee, as their interests may appear, at the Lessee's sole cost and expense, whatever claims and rights the Lessor may have against the Builder under the provisions of Item 3 of Annex A of the CSA; provided, however, that if at any time an Event of Default shall have occurred and be continuing, the Lessor may assert and enforce, at the Lessee's sole cost and expense, such claims and rights. The Lessor shall have no responsibility or liability to the Lessee or any other person with respect to any of the following: (i) any liability, loss or damage caused or alleged to be caused directly or indirectly by any Units or by any inadequacy thereof or deficiency or defect therein or by any other circumstances in connection therewith; (ii) the use, operation or performance of any Units or any risks relating thereto; (iii) any interruption of service, loss of business or anticipated profits or consequential damages; or (iv) the delivery, operation, servicing, maintenance, repair, improvement or replacement of any Units. The Lessee's delivery of a Certificate of Acceptance shall be conclusive evidence as between the Lessee and the Lessor that the Units described therein are in all respects satisfactory to the Lessee, and the Lessee will not assert any claim of any nature whatsoever against the Lessor or the Vendor based on any of the foregoing matters.

§ 10. LAWS AND RULES

10.1. Compliance. The Lessee agrees, for the benefit of the Lessor and the Vendor, to comply in all respects (including without limitation with respect to the use, maintenance and operation of each Unit) with all laws of the jurisdictions in which its operations involving the Units may extend, with the interchange rules of the Association of American Railroads and with all lawful rules of the United States Department of Transportation, the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Units, to the extent that such laws and rules affect the title, operation or use of the Units, all such laws and rules to such extent being hereinafter called ("Applicable Laws"), and in the event that such Applicable Laws require any alteration, replacement or addition of or to any part on any Unit, the Lessee will conform therewith at its own expense; provided, however, that the Lessee may at its own expense, in good faith,

contest the validity or application of any Applicable Laws in any reasonable manner which does not, in the opinion of the Lessor or the Vendor, adversely affect the property or rights of the Lessor or the Vendor under the CSA.

10.2. Reports by Lessor. The Lessee agrees to prepare and deliver to the Lessor and the Vendor within a reasonable time prior to the required date of filing (or, to the extent permissible, file on behalf of the Lessor and the Vendor) any and all reports (other than income tax returns) to be filed by the Lessor with any Federal, state or other regulatory authority by reason of the ownership by the Lessor or the Vendor of the Units or the leasing thereof to the Lessee.

§ 11. MAINTENANCE

11.1. Units in Good Operating Order. The Lessee will, at its own cost and expense, maintain and keep each Unit including any parts installed on or replacements made to any Unit which is subject to this Lease in good operating order, repair and condition, ordinary wear and tear excepted, in accordance with the Interchange Rules of the Association of American Railroads, and in no event shall the Units be maintained at a standard less than the other similar equipment owned or leased by the Lessee.

11.2. Additions and Accessions. (1) Except as set forth in §§ 10.1 and 11.1 hereof, the Lessee, at its own cost and expense, may from time to time make such other additions, modifications and improvements to the Units during the term of this Lease as are readily removable without causing material damage to the Units and do not adversely and materially affect the value of the Units. The additions, modifications and improvements made by the Lessee under the preceding sentence shall be owned by the Lessee, except to the extent such additions, modifications or improvements are made in order to comply with the second paragraph hereof.

(2) Any and all parts installed on and additions and replacements made to any Unit (i) which are not readily removable without causing material damage to such Unit and were installed or were added to such Unit in contravention of the Lessee's agreements contained in § 11.2(1) hereof, (ii) the cost of which is included in the Purchase Price of such Unit, (iii) in the course of ordinary maintenance of the

Units or (iv) which are required for the operation or use of such Unit by the regulations of the Interstate Commerce Commission, the Department of Transportation or any other applicable regulatory body, shall constitute accessions to such Unit and full ownership thereof free from any lien, charge, security interest or encumbrance (except for those created by the CSA) shall immediately be vested in the Lessor and the Vendor as their respective interests may appear in the Unit itself.

§ 12. INDEMNIFICATION

12.1. Indemnified Persons. The Lessee shall pay, and shall protect, indemnify and hold the Lessor, the Vendor and any assignee thereof, and their respective successors, assigns, agents and servants (hereinafter called "Indemnified Persons"), harmless from and against any and all causes of action, suits, penalties, claims, demands or judgments of any nature whatsoever which may be imposed on, incurred by or asserted against any Indemnified Person (including any or all liabilities, obligations, damages, costs, disbursements, expenses, including without limitation attorneys' fees) in any way relating to or arising, or alleged to arise out of this Lease, the CSA or the Units, including without limitation those in any way relating to or arising or alleged to arise out of (i) the manufacture, construction, purchase, acceptance, rejection, ownership, delivery, nondelivery, lease, possession, use, operation, condition, sale, return or other disposition of any Unit or portion thereof, (ii) any latent and other defects whether or not discoverable by the Lessor, the Vendor or the Lessee, (iii) any claim for patent, trademark or copyright infringement, (iv) any claims based on strict liability in tort, (v) any injury to or the death of any person or any damage to or loss of property on or near the Units or in any manner growing out of or concerned with, or alleged to grow out of or be connected with, the ownership, use, replacement, adaptation or maintenance of the Units or of any other equipment in connection with the Units (whether owned or under the control of the Lessor, the Lessee or any other person) or resulting or alleged to result from the condition of any thereof; (vi) any violation, or alleged violation, of any provision of this Lease or of any agreement, law, rule, regulation, ordinance or restriction, affecting or applicable to the Units or the leasing,

ownership, use, replacement, adaptation or maintenance thereof, except to the extent any such violation arises from the gross negligence or wilful misconduct of the Lessor; or (vii) any claim arising out of any of the Lessor's obligations under the Lease Assignment or the Vendor's retention of a security interest under the CSA or the Lease Assignment or the Participation Agreement, except to the extent such claim arises from the gross negligence or wilful misconduct of the Lessor (all of which matters hereinabove set forth in this § 12 being hereinafter called "Indemnified Matters"). The Lessee shall be obligated under this § 12.1, irrespective of whether any Indemnified Person shall also be indemnified with respect to the same matter under any other agreement by any other person, and the Indemnified Person seeking to enforce the indemnification may proceed directly against the Lessee under this § 12.1 without first resorting to any such other rights of indemnification. In case any action, suit or proceeding is brought against any Indemnified Person in connection with any Indemnified Matters, the Lessee may and, upon such Indemnified Person's request, will at the Lessee's expense resist and defend such action, suit or proceeding, or cause the same to be resisted or defended by counsel selected by the Lessee and approved by such Indemnified Person and, in the event of any failure by the Lessee to do so, the Lessee shall pay all costs and expenses (including without limitation attorneys' fees and expenses) incurred by such Indemnified Person in connection with such action, suit or proceeding. In the event the Lessee is required to make any indemnification payment under this § 12, the Lessee shall pay such Indemnified Person an amount which, after deduction of all taxes required to be paid by such Indemnified Person in respect of the receipt thereof under the laws of the United States or of any political subdivision thereof (after giving credit for any savings in respect of any such taxes by reason of deductions, credits or allowances in respect of the payment of the expense indemnified against, and of any other such taxes as determined in the sole discretion of the Indemnified Person), shall be equal to the amount of such payment. The Lessee and the Lessor each agrees to give each other promptly upon obtaining knowledge thereof written notice of any claim or liability hereby indemnified against. Upon the payment in full of any indemnities as contained in this § 12 by the Lessee, and provided that no Event of Default (or other event which with lapse of time or notice or both would constitute an Event of Default) shall have occurred and be continuing, the Lessee shall be subrogated to any right of such Indemni-

fied Person (except against another Indemnified Person) in respect of Indemnified Matters against which indemnity has been given. Any payments received by such Indemnified Person from any person (except the Lessee) as a result of any Indemnified Matters with respect to which such Indemnified Person has been indemnified by the Lessee pursuant to this § 12.1 shall be paid over to the Lessee to the extent necessary to reimburse the Lessee for indemnification payments previously made. Nothing in this § 12.1 shall constitute a guarantee by the Lessee of the CSA Indebtedness of the Lessor under the CSA or a guarantee of the residual value of any Unit.

The Lessee has agreed under the Indemnity Agreement to indemnify the Lessor in a manner similar to the above and in addition in certain other respects.

12.2. Survival. The indemnities contained in this § 12 shall survive the expiration or termination of this Lease with respect to all events, facts, conditions or other circumstances occurring or existing prior to such expiration or termination and are made for the benefit of, and shall be enforceable by, any Indemnified Person. None of the indemnities in this § 12 shall be deemed to create any rights of subrogation in any insurer or third party against the Lessee therefor, from or under any Indemnified Person, whether because of any claim paid or defense provided for the benefit thereof or otherwise.

§ 13. DEFAULT

13.1. Events of Default; Remedies. If, during the continuance of this Lease or any extension or renewal thereof, one or more of the following events (each such event being herein sometimes called an "Event of Default") shall occur:

(A) default shall be made in payment of any amount provided for in §§ 3, 6, 7, 12 or 16 hereof, and such default shall continue for 10 days;

(B) the Lessee shall make or permit any unauthorized assignment or transfer of this Lease, or any interest herein, or of the right to possession of the Units, or any thereof;

(C) default shall be made in the observance or per-

formance of any other of the covenants, conditions and agreements on the part of the Lessee contained herein, in the Participation Agreement or the Indemnity Agreement and such default shall continue for 30 days after written notice from the Lessor or the Vendor to the Lessee specifying the default and demanding that the same be remedied;

(D) any representation or warranty made by the Lessee herein, in the Participation Agreement, the Indemnity Agreement or in any certificate or statement furnished to the Vendor or the Lessor pursuant to or in connection with any such agreements proves untrue in any material respect as of the date of issuance or making thereof;

(E) a petition for reorganization under Title 11 of the United States Code, as now constituted or as hereafter amended, shall be filed by or against the Lessee and, unless such petition shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under this Lease and the Indemnity Agreement shall not have been and shall not continue to have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees appointed (whether or not subject to ratification) in such proceedings in such manner that such obligations shall have the same status as expenses of administration and obligations incurred by such trustee or trustees, within 60 days after such petition shall have been filed and otherwise in accordance with the provisions of 11 U.S.C. § 1168, or any successor provision, as the same may hereinafter be amended; or

(F) any other proceeding shall be commenced by or against the Lessee for any relief which includes, or might result in, any modification of the obligations of the Lessee hereunder under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustments of the obligations of the Lessee hereunder), and, unless such proceedings shall have been dismissed, nullified, stayed

or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under this Lease and the Indemnity Agreement shall not have been and shall not continue to have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed (whether or not subject to ratification) for the Lessee or for the property of the Lessee in connection with any such proceedings in such manner that such obligations shall have the same status as expenses of administration and obligations incurred by such a trustee or trustees or receiver or receivers, within 60 days after such proceedings shall have been commenced;

then, in any case, the Lessor, at its option, may:

(a) proceed by appropriate court action or actions either at law or in equity, to enforce performance by the Lessee of the applicable covenants of this Lease or to recover damages for the breach thereof; or

(b) by notice in writing to the Lessee to terminate this Lease, whereupon all rights of the Lessee to the use of the Units shall absolutely cease and terminate as though this Lease had never been made, but the Lessee shall remain liable as herein provided; and thereupon the Lessor may by its agents enter upon the premises of the Lessee or other premises, insofar as the Lessee may be lawfully authorized to so permit, where any of the Units may be located, without judicial process if this can be done without breach of the peace and in accordance with due process of law, and take possession of all or any of such Units and thenceforth hold, possess and enjoy the same free from any right of the Lessee, or its successors or assigns, to use the Units for any purposes whatever; but the Lessor shall, nevertheless, have a right to recover from the Lessee any and all amounts which under the terms of this Lease may be then due or which may have accrued to the date of such termination (computing the rental for any number of days less than a full rental period by multiplying the rental for such full rental period by a fraction of which the numerator is such number of days and the denominator is the total number of days in such full rental period) and also to recover forthwith from the

Lessee as damages for loss of a bargain and not as a penalty whichever of the following amounts that the Lessor, in its sole discretion shall specify, (i) a sum, with respect to each Unit, which represents (x) the excess of the present value, at the time of such termination, of the entire unpaid balance of all rentals for such Unit which would otherwise have accrued hereunder from the date of such termination to the end of the term of this Lease as to such Unit, such present value to be computed on the basis of a 4% per annum discount, compounded quarterly from the respective dates upon which rental would have been payable hereunder had this Lease not been terminated over the then present value of the rental which the Lessor reasonably estimates to be obtainable for each Unit during such period, such present value to be computed on the basis of a 4% per annum discount, compounded quarterly from the respective dates upon which rentals would have been payable hereunder had this Lease not been terminated or, if such Unit is sold, the net proceeds of the sale plus (y) any damages and expenses, including reasonable attorneys' fees, in addition thereto which the Lessor shall have sustained by reason of the breach of any covenant, representation or warranty of this Lease other than for the payment of rental or (ii) an amount equal to the excess, if any, of the Casualty Value as of the Casualty Payment Date on or next preceding the date of termination over the amount the Lessor reasonably estimates to be the sales value of such Unit at such time; provided, however, that in the event the Lessor shall have sold any unit, the Lessor, in lieu of collecting any amounts payable by the Lessee pursuant to the preceding clause (ii) with respect to such Unit, may, if it shall so elect, demand that the Lessee pay the Lessor and the Lessee shall pay to the Lessor on the date of such sale, as liquidated damages for loss of a bargain and not as a penalty, an amount equal to the excess, if any, of the Casualty Value for such Unit as of the Casualty Payment Date on or next preceding the date of termination over the net proceeds of such sale.

In addition, the Lessee shall be liable, except as otherwise provided above, for any and all unpaid amounts due hereunder before, during or after the exercise of any of the foregoing remedies and for all reasonable attorneys' fees and other costs and expenses incurred by reason of the occurrence of any Event of Default or the exercise of the Lessor's

remedies with respect thereto, including all costs and expenses incurred in connection with the return of any Unit.

13.2. Remedies Not Exclusive; Waiver. The remedies in this Lease provided in favor of the Lessor shall not be deemed exclusive, but shall be cumulative and may be exercised concurrently or consecutively, and shall be in addition to all other remedies in its favor existing at law or in equity. The Lessee hereby waives any mandatory requirements of law, now or hereafter in effect, which might limit or modify the remedies herein provided, to the extent that such waiver is not, at the time in question, prohibited by law. The Lessee hereby waives any and all existing or future claims to any offset against the rental payments due hereunder, and agrees to make such payments regardless of any offset or claim which may be asserted by the Lessee or on its behalf.

13.3. Failure To Exercise Rights Is Not Waiver. The failure of the Lessor to exercise the rights granted it hereunder upon the occurrence of any of the contingencies set forth herein shall not constitute a waiver of any such right upon the continuation or recurrence of any such contingencies or similar contingencies.

§ 14. RETURN OF UNITS UPON DEFAULT

14.1. Return of Units. If this Lease shall terminate pursuant to § 13 hereof or Article 16 of the CSA, the Lessee shall forthwith deliver possession of the Units to the Lessor. Each Unit so delivered shall be in the same operating order, repair and condition as when originally delivered to the Lessee, reasonable wear and tear excepted, shall be eligible for interchange under the Interchange Rules of the Association of American Railroads and shall have attached or affixed thereto any special device considered an accession thereto as provided in § 11 and shall have removed therefrom at the Lessee's expense any addition, modification or improvement which, as provided in § 11, is owned by the Lessee. For the purpose of delivering possession of any Unit or Units as above required, the Lessee shall at its own cost, expense and risk:

(a) forthwith and in the usual manner (including, but not by way of limitation, giving prompt telegraphic and written notice to the Association of American Rail-

roads and all railroads to which any Unit or Units have been interchanged or which may have possession thereof to return the Unit or Units) and at the usual speed place such Units upon such storage tracks of the Lessee as the Lessor reasonably may designate;

(b) cause such Units to be stored on such tracks at the risk of the Lessee without charge for rent, storage or insurance until all such Units have been sold, leased or otherwise disposed of by the Lessor; and

(c) transport the same to any place on the lines of railroad operated by the Lessee or any of its affiliates or to any connecting carrier for shipment, all as directed by the Lessor.

The assembling, delivery, storage and transporting of the Units as hereinbefore provided shall be at the expense and risk of the Lessee and are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. During any storage period, the Lessee will, at its own cost and expense, maintain and keep the Equipment in good order and repair, and will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser, lessee, or user of any such Unit, to inspect the same. All amounts earned in respect of the Units after the date of termination of this Lease shall belong to the Lessor and, if received by the Lessee, shall be promptly turned over to the Lessor.

14.2. Lessor Appointed Agent of Lessee. Without in any way limiting the obligation of the Lessee under the foregoing provisions of this § 14, the Lessee hereby irrevocably appoints the Lessor as the agent and attorney of the Lessee, with full power and authority, at any time while the Lessee is obligated to deliver possession of any Unit to the Lessor, to demand and take possession of such Unit in the name and on behalf of the Lessee from whosoever shall be in possession of such Unit at the time.

§ 15. ASSIGNMENT, POSSESSION AND USE

15.1. Assignment; Consent. This Lease shall be

assignable in whole or in part by the Lessor upon prior written consent of the Lessee, which consent shall not be unreasonably withheld. The Lessee hereby consents to the assignment of this Lease pursuant to the Lease Assignment.

15.2. Lessee's Rights To Use the Units, To Permit Use Thereof by Others and To Sublease the Units. (1) So long as no Event of Default exists hereunder and no event of default exists under the CSA, the Lessee shall be entitled to the possession and use of the Units in accordance with the terms of this Lease. Without the prior written consent of the Lessor and the Vendor, the Lessee shall not assign or transfer its leasehold interest under this Lease in the Units or any of them except as provided in paragraph (2) below of this § 15.2; and the Lessee shall not, without the prior written consent of the Lessor and the Vendor, part with the possession or control of, or suffer or allow to pass out of its possession or control, any of the Units, except to the extent permitted by the provisions of paragraph (2) of this § 15.2. The Lessee, at its own expense, will promptly pay or discharge any and all sums claimed by any party which, if unpaid, might become a lien, charge, security interest or other encumbrance (other than an encumbrance created by the Lessor or the Vendor or resulting from claims against the Lessor or the Vendor not related to the ownership of the Units or any encumbrance on the leasehold estate of the Lessee which is subject and subordinate to the interests of the Lessor and the Vendor) upon or with respect to any Unit, including any accession thereto, or the interest of the Lessor, the Vendor or the Lessee therein, and will promptly discharge any such lien, claim, security interest or other encumbrance which arises.

(2) So long as no Event of Default exists hereunder and no event of default exists under the CSA, the Lessee shall be entitled to the possession and use of the Units by it or any affiliate upon lines of railroad owned or operated by it or any such affiliate or upon lines of railroad over which the Lessee or any such affiliate has trackage or other operating rights or over which railroad equipment of the Lessee or any such affiliate is regularly operated and shall be entitled to permit the use of the Units upon connecting and other carriers in the usual interchange of traffic or pursuant to run-through agreements or to sublease the Units, but only upon and subject to all the terms and

conditions of this Lease and the CSA; provided, however, that the Lessee shall not assign, sublease or permit the assignment, sublease or use of any Unit predominantly outside the United States of America within the meaning of Section 48(a) of the Internal Revenue Code of 1954, as amended to the date hereof, nor shall the Lessee assign or sublease to, or permit the sublease or use of the Units by, any person in whose hands such Units would not qualify as "section 38 property" within the meaning of said Code. The Lessee may receive and retain compensation (including incentive per diem payments) for the use of any of the Units from railroads or other entities so using such Units. Any sublease permitted by this paragraph may provide that the sublessee, so long as it shall not be in default under such sublease, shall be entitled to the possession of the Units included in such sublease and the use thereof; provided, however, that every such sublease (i) shall be subject and subordinate to the rights and remedies of the Vendor under the CSA and the Lessor under this Lease in respect of the Units covered by such sublease upon the occurrence of an Event of Default thereunder or hereunder and (ii) the Vendor's and the Lessor's written consent must be obtained in order to sublease any Unit for a period of more than six consecutive months to any sublessee.

15.3. Transfers by Lessee Through Merger, Acquisition or Consolidation. Nothing in this § 15 shall be deemed to restrict the right of the Lessee to assign or transfer its leasehold interest under this Lease in the Units or possession of the Units to any corporation incorporated under the laws of any state of the United States of America or the District of Columbia (which shall have duly assumed the obligations of the Lessee hereunder) into or with which the Lessee shall have become merged or consolidated or which shall have acquired the property of the Lessee as an entirety or substantially as an entirety, provided that such assignee or transferee will not, upon the effectiveness of such merger, consolidation or acquisition, be in default under any provision of this Lease, shall be a "railroad" within the meaning of 11 U.S.C. § 101(33) and shall have assumed all the obligations of the Lessee under this Lease, the Consent, the Participation Agreement and the Indemnity Agreement.

§ 16. RENEWAL OPTION AND RIGHT OF FIRST REFUSAL

16.1. Renewal for One Period. Provided that this

Lease has not been earlier terminated and the Lessee is not in default hereunder, the Lessee may by written notice delivered to the Lessor not less than 180 days prior to the end of the original term of this Lease in respect of the Units still subject to this Lease, elect to extend such original term of this Lease in respect of all but not less than all the Units then covered by this Lease for a period of up to three years commencing on the scheduled expiration of such original term of this Lease, at a "Fair Market Rental" payable, in advance, in quarterly payments on the month and day such rentals were payable for the Units in each year of the original term.

16.2. Determination of Fair Market Rental.

(1) Fair Market Rental shall be determined for the extended term of this Lease on the basis of, and shall be equal in amount to, the rental which would obtain in an arm's-length transaction between an informed and willing lessee (other than a lessee currently in possession) and an informed and willing lessor under no compulsion to lease and, in such determination, costs of removal from the location of current use shall not be a deduction from such rental.

(2) If, after 50 days from the giving of notice by the Lessee of the Lessee's election to extend the original term of this Lease, the Lessor and the Lessee are unable to agree upon a determination of the Fair Market Rental of the Units, such rental shall be determined by the following procedure: If either party to such determination shall have given written notice to the other requesting determination of such value by this appraisal procedure, the parties shall consult for the purpose of appointing a qualified independent appraiser by mutual agreement. If no such appraiser is so appointed within 20 days after such notice is given, each party shall appoint an independent appraiser within 25 days after such notice is given, and the two appraisers so appointed shall within 35 days after such notice is given appoint a third independent appraiser. If no such third appraiser is appointed within 35 days after such notice is given, either party may apply, to make such appointment, to the American Arbitration Association, and both parties shall be bound by any appointment so made. Any appraiser or appraisers appointed pursuant to the foregoing procedure shall be instructed to determine the Fair Market Rental of the Units subject to the proposed extended term within 90 days after his or their appointment. If the parties shall have appointed a single appraiser or if either party shall

have failed to appoint an appraiser, the determination of Fair Market Rental of the single appraiser appointed shall be final. If three appraisers shall be appointed, the determination of the appraiser which differs most from the other two appraisers shall be excluded, the remaining two determinations shall be averaged and such latter average shall be final and binding upon the parties hereto as the Fair Market Rental. The appraisal proceedings shall be conducted in accordance with the Commercial Arbitration Rules of the American Arbitration Association as in effect on the date hereof, except as modified hereby. The provision for this appraisal procedure shall be the exclusive means of determining Fair Market Rental and shall be in lieu of any judicial or other procedure for the determination thereof, and each party hereto hereby consents and agrees not to assert any judicial or other procedures. The expenses of the appraisal procedure shall be borne by the Lessee.

16.3. Option to Purchase. Provided that this Lease has not been earlier terminated and the Lessee is not in default hereunder, the Lessee may by written notice delivered to the Lessor not less than 180 days prior to the end of the original term of this Lease or of the renewal term as provided for in § 16.1, as the case may be, with respect to all the Units still subject to this Lease, elect to purchase all such Units for the cash sales price equal to the then "Fair Market Value", payable upon the last day of such original term or such renewal term.

16.4. Determination of Fair Market Value. (1) Fair Market Value shall be determined on the basis of, and shall be equal in amount to, the cash sales price which would be obtained in an arm's-length transaction between an informed and willing purchaser (other than a lessee currently in possession or a dealer in used equipment) and an informed and willing seller under no compulsion to sell and, in such determination, cost of removal from the location of current use shall not be a deduction from such amount.

(2) If, after 50 days from the giving of notice by the Lessee of the Lessee's election to purchase the Units still subject to this Lease, the Lessor and the Lessee are unable to agree upon a determination of the Fair Market Value of the Units, such amount shall be determined by the following procedure: If either party to such determination shall have given written notice to the other requesting the

determination of such value by this appraisal procedure, the parties shall consult for the purpose of appointing a qualified independent appraiser by mutual agreement. If no such appraiser is so appointed within 20 days after such notice is given, each party shall appoint an independent appraiser within 25 days after such notice is given, and the two appraisers so appointed shall within 35 days after such notice is given appoint a third independent appraiser. If no such third appraiser is appointed within 35 days after such notice is given, either party may apply, to make such appointment, to the American Arbitration Association, and both parties shall be bound by any appointment so made. Any appraiser or appraisers appointed pursuant to the foregoing procedure shall be instructed to determine the Fair Market Value of the Units subject to the proposed sale within 90 days after his or their appointment. If the parties have appointed a single appraiser or if either party shall have failed to appoint an appraiser, the determination of the Fair Market Value of the single appraiser appointed shall be final. If three appraisers shall be appointed, the determination of the appraiser which differs most from the other two appraisers shall be excluded, the remaining two determinations shall be averaged and such latter average shall be final and binding upon the parties hereto as the Fair Market Value. The appraisal proceedings shall be conducted in accordance with the Commercial Arbitration Rules of the American Arbitration Association as in effect on the date hereof, except as modified hereby. The provision for this appraisal procedure shall be the exclusive means of determining Fair Market Value and shall be in lieu of any judicial or other procedures. The expenses of the appraisal procedure shall be borne by the Lessee.

§ 17. RETURN OF UNITS UPON EXPIRATION OF TERM
OR TERMINATION

As soon as practicable on or after the expiration of the original or any extended term of this Lease with respect to any Unit, and in any event not later than 90 days thereafter, the Lessee will, at its own cost and expense, at the request of the Lessor, deliver possession of such Unit to the Lessor upon such storage tracks of the Lessee as the Lessee may reasonably designate, and permit the Lessor to store such Unit on such tracks for a period not exceeding 180 days and transport the same upon disposition of

the Units, at any time within such 180-day period, to any interchange point on the Lessee's lines, all as directed by the Lessor, the movement and storage of such Units to be at the expense and risk of the Lessee. During any such storage period the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser, lessee or user of such Unit, to inspect the same; provided, however, that the Lessee shall not be liable, except in the case of negligence of the Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any prospective purchaser, lessee or user, the rights of inspection granted under this sentence. Each Unit returned to the Lessor pursuant to this § 17 shall (i) be in the same operating order, repair and condition as when originally delivered to the Lessee, reasonable wear and tear excepted, (ii) meet the standards then in effect at the expiration of the original or extended term of this Lease, as the case may be, under the applicable rules of any governmental agency or other organization with jurisdiction (including, but not limited to, the Interchange Rules of the Association of American Railroads) and (iii) have attached or affixed thereto any special device considered an accession thereto as provided in § 11 hereof and have removed therefrom any such device not so considered an accession. During any such storage period the Lessee shall maintain the Units in accordance with the provisions of § 11.1 hereof. The assembling, delivery, storage and transporting of the Units as hereinbefore provided are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units.

§ 18. RECORDING

The Lessee, at its own expense, will cause this Lease, the CSA, the CSA Assignment and the Lease Assignment to be filed with the Interstate Commerce Commission and deposited with the Registrar General of Canada (notice of such deposit to be forthwith given in The Canada Gazette) pursuant to Section 86 of the Railway Act of Canada. The Lessee will undertake the filing, registering, deposit, and recording required of the Lessor under the CSA. The Lessee in addition will from time to time do and perform

any other act and will execute, acknowledge, deliver, file, register, record (and will refile, reregister, deposit and redeposit or rerecord whenever required) any and all further instruments required by law or reasonably requested by the Lessor or the Vendor for the purpose of proper protection, to their satisfaction, of the Vendor's and the Lessor's respective interests in the Units, or for the purpose of carrying out the intention of this Lease, the CSA, the CSA Assignment and the Lease Assignment; and the Lessee will promptly furnish to the Vendor and the Lessor evidence of all such filing, registering, depositing or recording, and an opinion or opinions of counsel for the Lessee with respect thereto satisfactory to the Vendor and the Lessor. This Lease, the CSA, the CSA Assignment and the Lease Assignment shall be filed with the Interstate Commerce Commission and deposited with the Registrar General of Canada pursuant to Section 86 of the Railway Act of Canada and provision will have been made for publication of notice of such deposit in The Canada Gazette prior to the delivery and acceptance hereunder of any Unit.

§ 19. INTEREST ON OVERDUE RENTALS

Any nonpayment of rentals and other obligations due hereunder shall result in the obligation on the part of the Lessee promptly to pay, to the extent legally enforceable, an amount equal to interest at 16% per annum on the overdue rentals and other obligations for the period of time during which they are overdue or such lesser amount as may be legally enforceable.

§ 20. LESSOR'S RIGHT TO PERFORM FOR THE LESSEE

If the Lessee fails to perform or comply with any of its agreements contained herein, the Lessor may upon notice to the Lessee and the Vendor, perform or comply with such agreement, and the amount of the reasonable cost and expenses of the Lessor incurred in connection with such performance or compliance, together with interest, to the extent legally enforceable, on such amount at 16% per annum, shall be payable by the Lessee upon demand except as otherwise provided in this Lease. No such performance or compliance by the Lessor shall be deemed a waiver of the rights and remedies of the Lessor or any assignee of the Lessor against the Lessee hereunder.

§ 21. NOTICES

Any notice required or permitted to be given by either party hereto to the other shall be deemed to have been given when mailed, first-class, postage prepaid, addressed as follows:

(a) if to the Lessor, at Suite 700, Two Hillcrest Green, 12720 Hillcrest Road, Dallas, Texas 75230, Attention of Assistant Vice President-Contracts Administration; and

(b) if to the Lessee, at Northern Main Junction Park, R.R. 2, Bangor, Maine 04401, Attention of Vice President-Finance,

or addressed to either party at such other address as such party shall hereafter furnish to the other party in writing.

§ 22. SEVERABILITY

Any provision of this Lease which is prohibited or unenforceable in any jurisdiction, shall be, as to such jurisdiction, ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

§ 23. EFFECT AND MODIFICATION OF LEASE

Except for the Participation Agreement and the Indemnity Agreement, this Lease exclusively and completely states the rights of the Lessor and the Lessee with respect to the leasing of the Units and supersedes all other agreements, oral or written, with respect thereto. No variation or modification of this Lease and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized signatories for the Lessor and the Lessee.

§ 24. THIRD PARTY BENEFICIARIES

Nothing in this Lease shall be deemed to create any right in any person not a party hereto (other than the

Vendor, the Builder and the permitted successors and assigns of a party) and this instrument shall not be construed in any respect to be a contract in whole or in part for the benefit of a third party except as aforesaid.

§ 25. EXECUTION

This Lease may be executed in several counterparts, such counterparts together constituting but one and the same instrument, but the counterpart delivered to the Vendor pursuant to the Lease Assignment shall be deemed to be the original and all other counterparts shall be deemed duplicates thereof. Although for convenience this Lease is dated as of the date first set forth above, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

§ 26. LAW GOVERNING

The terms of this Lease and all rights and obligations hereunder shall be governed by the laws of the State of Maine; provided, however, that the parties shall be entitled to all rights conferred by 49 U.S.C. § 11303.

§ 27. IMMUNITIES; NO RECOURSE

No recourse shall be had in respect of any obligation due under this Lease, or referred to herein, against any incorporator, stockholder, director or officer, as such, past, present or future, of the parties hereto, whether by virtue of any constitutional provision, statute or rule of law, or by enforcement of any assessment or penalty or otherwise, all such liability, whether at common law, in equity, by any constitutional provision, statute or otherwise, of such incorporators, stockholders, directors or officers, as such, being forever released as a condition of and as consideration for the execution of this Lease.

§ 28. TERM LESSOR

Whenever the term Lessor is used in this Lease it shall apply and refer to the Lessor and any assignee of the Lessor (including, so long as any indebtedness under the CSA

or interest thereon shall remain unpaid or any other obligation thereunder be continuing, the Vendor).

IN WITNESS WHEREOF, the parties hereto have executed or caused this instrument to be executed as of the date first above written.
